NOMINATION AND REMUNERATION POLICY OF DIRECTORS, KMPs AND OTHER EMPLOYEES

The philosophy for remuneration of Directors, KMP and all other employees of Tejnakh Healthcare Limited ("Company") is based on commitment demonstrated by the Directors, KMPs and other employees towards the Company and truly fostering a culture of leadership with trust. The remuneration policy is aligned to this philosophy.

This remuneration policy has been prepared pursuant to the provisions of Section 178(3) of the Companies Act, 2013 ("Act") and Regulation 19(4) read with Part D of Schedule II of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"). In case of any inconsistency between the provisions of law and this remuneration policy, the provisions of the law shall prevail and the Company shall abide by the applicable law. While formulating this Policy, the Nomination and Remuneration Committee ("NRC") has considered the factors laid down under Section 178(4) of the Act, which are as under:

- a) The level and composition of remuneration is reasonable and sufficient to attract, retain and motivate Directors of the quality required to run the Company successfully;
- b) relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and
- c) Remuneration to Directors, KMP and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the Company and its goals"

Key principles governing this remuneration policy are as follows:

Remuneration for Independent Directors and Non Independent Non-Executive Directors

Overall remuneration should be reflective of the size of the Company, complexity of the sector/industry/company's operations and the company's capacity to pay the remuneration.

Independent Directors ("ID") and Non-Independent Non-Executive Directors ("NED") may be paid sitting fees (for attending the meetings of the Board and of committees of which they may be members) and commission within regulatory limits. Quantum of sitting fees may be subject to review on a periodic basis, as required.

Within the parameters prescribed by law, the payment of sitting fees and commission will be recommended by the NRC and approved by the Board.

Overall remuneration (sitting fees and commission) should be reasonable and sufficient to attract, retain and motivate Directors aligned to the requirements of the Company (taking into consideration the challenges faced by the Company and its future growth imperatives).

Overall remuneration practices should be consistent with recognised best practices.

The aggregate commission payable to all the NEDs and IDs will be recommended by the NRC to the Board based on Company's performance, profits, return to investors, shareholder value creation and any other significant qualitative parameters as may be decided by the Board.

The NRC will recommend to the Board, the quantum of commission for each Director based upon the outcome of the evaluation process which is driven by various factors including attendance and time spent in the Board and committee meetings, individual contributions at the meetings and contributions made by Directors other than in meetings.

In addition to the sitting fees and commission, the Company may pay to any Director such fair and reasonable expenditure, as may have been incurred by the Director while performing his/her role as a Director of the Company. This could include reasonable expenditure incurred by the Director for attending Board/Board committee meetings, general meetings, court convened meetings, meetings with shareholders/creditors/management, site visits, induction and training (organized by the Company for Directors) and in obtaining professional advice from independent advisors in the furtherance of his/her duties as a director.
