Important Communication to Members

The Ministry of Corporate Affairs has taken a "Green Initiative in the Corporate Governance" by allowing paperless compliances by the companies and has issued circulars stating that service of notice/ documents including Annual Report can be sent by e-mail to its members. To support this green initiative of the Government in full measure, members who have not registered their e-mail addresses, so far, are requested to register their e-mail addresses, in respect of electronic holdings with the Depository through their concerned Depository Participants. Members who hold shares in physical form are requested to update their email address with the Company or M/s. Cameo Corporate Services Ltd. (RTA), to enable us to send all the documents through electronic mode in future.

NOTICE

NOTICE

NOTICE is hereby given that the **15th Annual General Meeting** of the Members of **Tejnaksh Healthcare Limited** will be held on **Wednesday, 28th September, 2022 at 10.30 A.M.** through video Conferencing ("VC") / Other Audio Visual Means ("OAVM") to transact the following business:

ORDINARY BUSINESS:-

1. To receive, consider and adopt the Audited Financial Statement of the Company for the year ended 31st March 2022 including Audited Balance Sheet as at 31st March, 2022 and the Statement of Profit & Loss Account and Statement of Cash Flow, for the year ended as on that date together with the reports of the Board of Directors and Auditors thereon and the Audited Consolidated Financial Statements of the Company for the financial year ended March 31, 2022, together with the Report of the Auditors thereon.
2. To appoint Mr. Ashish Rawandale (Din:02005733) as Director of the Company, who retires by rotation and being eligible, offers himself for re-appointment.

Notes:-

1. In view of the massive outbreak of the COVID-19 pandemic, social distancing is a norm to be followed and pursuant to the Circular No. 14/2020 dated April 08, 2020, Circular No.17/2020 dated April 13, 2020 issued by the Ministry of Corporate Affairs followed by Circular No. 20/2020 dated May 05, 2020 and Circular No. 02/2021 dated January 13, 2021 and all other relevant circulars issued from time to time, physical attendance of the Members to the EGM/AGM venue is not required and general meeting be held through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing EGM/AGM through VC/OAVM.
2. Pursuant to the Circular No. 14/2020 dated April 08, 2020, issued by the Ministry of Corporate Affairs, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, the Body Corporates are entitled to appoint authorised representatives to attend the EGM/AGM through VC/OAVM and participate there at and cast their votes through e-voting.
3. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available for 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
4. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Act.
5. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and the Circulars issued by the Ministry of Corporate Affairs dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-Voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-Voting system as well as venue voting on the date of the AGM will be provided by NSDL.
6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at www.tejnaksh.com. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively and the AGM Notice is also available on the website of NSDL (agency for providing the Remote e-Voting facility) i.e. www.evoting.nsdl.com.
7. AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 08, 2020 and MCA Circular No. 17/2020 dated April 13, 2020, MCA Circular No. 20/2020 dated May 05, 2020 and MCA Circular No. 2/2021 dated January 13, 2021.
8. **PURSUANT TO THE PROVISIONS OF THE ACT, A MEMBER ENTITLED TO ATTEND AND VOTE AT THE AGM IS ENTITLED TO APPOINT A PROXY TO ATTEND AND VOTE ON HIS/HER BEHALF AND**

THE PROXY NEED NOT BE A MEMBER OF THE COMPANY. SINCE THIS AGM IS BEING HELD PURSUANT TO THE MCA CIRCULARS THROUGH VC/OAVM, THE REQUIREMENT OF PHYSICAL ATTENDANCE OF MEMBERS HAS BEEN DISPENSED WITH. ACCORDINGLY, IN TERMS OF THE MCA CIRCULARS AND THE SEBI CIRCULAR, THE FACILITY FOR APPOINTMENT OF PROXIES BY THE MEMBERS WILL NOT BE AVAILABLE FOR THIS AGM AND HENCE, THE PROXY FORM, ATTENDANCE SLIP AND ROUTE MAP OF AGM ARE NOT ANNEXED TO THIS NOTICE.

9. Institutional Investors, who are Members of the Company, are encouraged to attend and vote at the AGM through VC/OAVM facility. Corporate Members intending to appoint their authorized representatives to attend the AGM through VC or OAVM and to vote thereat through remote e-Voting are requested to send a certified copy of the Board Resolution to the Scrutinizer by e-mail at csbbansal@gmail.com with a copy marked to evoting@nsdl.co.in and cs.tejnaksh@gmail.com.
10. In case of joint holders attending the AGM, only such joint holder who is higher in the order of names will be entitled to vote.
11. Further, on account of the threat posed by COVID-19 and in terms of the MCA Circulars and the SEBI Circular, the Company is sending this AGM Notice along with the Annual Report for FY22 in electronic form only to those Members whose e-mail addresses are registered with the Company/Depositories. The Notice convening the AGM and the Annual Report for FY22 has been uploaded on the website of the Company at www.tejnaksh.com and may also be accessed from the relevant section of the websites of the Stock Exchange i.e. BSE Limited ("BSE") at www.bseindia.com. The AGM Notice is also available on the website of NSDL at www.evoting.nsdl.com.
12. **The Register of Members and Share Transfer Books of the Company will remain closed from Thursday, 22nd September 2022 to Wednesday, 28th September 2022, both days inclusive.**
13. Members are requested to intimate changes, if any, pertaining to their name, postal address, e-mail address, telephone/mobile numbers, PAN, registering of nomination and power of attorney, Bank Mandate details such as name of the bank and branch details, bank account number, MICR code, IFSC code, etc., to their DP in case the shares are held in electronic form and to the RTA in case the shares are held in physical form.
14. Pursuant to Section 72 of the Companies Act, 2013, members holding shares in physical form may file nomination in the prescribed Form SH-13 and for cancellation / variation in nomination in the prescribed Form SH-14 with the Company's RTA. In respect of shares held in electronic / demat form, the nomination form may be filed with the respective Depository Participant.
15. Members desiring inspection of statutory registers during the AGM may send their request in writing to the Company at cs.tejnaksh@gmail.com.
16. Members who wish to inspect the relevant documents referred to in the Notice can send an e-mail to cs.tejnaksh@gmail.com up to the date of the AGM.
17. This AGM Notice is being sent by e-mail only to those eligible Members who have already registered their e-mail address with the Depositories/the DP/the Company's RTA/the Company.
18. For permanent registration of their e-mail address, Members are requested to register their e-mail address, in respect of electronic holdings, with their concerned DP and in respect of physical holdings, with the RTA.
19. Those Members who have already registered their e-mail addresses are requested to keep their e-mail addresses validated with their DP/RTA to enable servicing of notices/ documents/Annual Reports and other communications electronically to their e-mail address in future.
20. Process and manner for Members opting for e-Voting is, as under:-
 - I. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available for 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
 - II. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.

- III. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and the Circulars issued by the Ministry of Corporate Affairs dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-voting system as well as venue voting on the date of the AGM will be provided by NSDL.
- IV. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at www.tejnaksh.com. The Notice can also be accessed from the websites of the Stock Exchange i.e. BSE Limited at www.bseindia.com and the AGM Notice is also available on the website of NSDL (agency for providing the Remote e-Voting facility) i.e. www.evoting.nsdl.com.
- V. AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 08, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020.
- VI. **The remote e-voting period commences on Sunday 25th September, 2022 (9:00 am IST) and ends on Tuesday 27th September, 2022 (5:00 pm IST). During this period members' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date i.e. 21st September, 2022, may cast their vote by remote e-voting. The remote e-voting module shall be disabled by NSDL for voting thereafter. Once the vote on resolutions is cast by the member, the member shall not be allowed to change it subsequently.**

VII. **THE INSTRUCTIONS FOR MEMBERS FOR REMOTE E-VOTING ARE AS UNDER:-**

Sunday 25th September, 2022 (9:00 am IST) and ends on Tuesday 27th September, 2022 (5:00 pm IST).. The remote e-voting module shall be disabled by NSDL for voting thereafter. The Members, whose names appear in the Register of Members / Beneficial Owners as on the record date (cut-off date) i.e. 21st September, 2022, may cast their vote electronically. The voting right of shareholders shall be in proportion to their share in the paid-up equity share capital of the Company as on the cut-off date, being 21st September, 2022.

How do I vote electronically using NSDL e-Voting system?

The way to vote electronically on NSDL e-Voting system consists of "Two Steps" which are mentioned below:

Step 1: Access to NSDL e-Voting system

A) Login method for e-Voting and joining virtual meeting for Individual shareholders holding securities in demat mode:

In terms of SEBI circular dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Login method for Individual shareholders holding securities in demat mode is given below:

Type of shareholders	Login Method
Individual Shareholders holding securities in demat mode with NSDL.	<ol style="list-style-type: none"> Existing IDeAS user can visit the e-Services website of NSDL Viz. https://eservices.nsdl.com either on a Personal Computer or on a mobile. On the e-Services home page click on the "Beneficial Owner" icon under "Login" which is available under 'IDeAS' section, this will prompt you to enter your existing User ID and Password. After successful authentication, you will be able to see e-Voting services under Value added services. Click on "Access to e-Voting" under e-Voting services and you will be able to see e-Voting page. Click on company name or e-Voting service provider i.e. NSDL and you will be re-directed to e-Voting website of NSDL for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting. If you are not registered for IDeAS e-Services, option to register is available at https://eservices.nsdl.com. Select "Register Online for IDeAS Portal" or click at

	<p>https://eservices.nsdl.com/SecureWeb/IdeasDirectReg.jsp</p> <ol style="list-style-type: none"> Visit the e-Voting website of NSDL. Open web browser by typing the following URL: https://www.evoting.nsdl.com/ either on a Personal Computer or on a mobile. Click on company name or e-Voting service provider i.e. NSDL and you will be redirected to e-Voting website of NSDL for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting.</p>

Important note: Members who are unable to retrieve User ID/ Password are advised to use Forget User ID and Forget Password option available at abovementioned website.

Helpdesk for Individual Shareholders holding securities in demat mode for any technical issues related to login through Depository i.e. NSDL and CDSL.

Login type	Helpdesk details
Individual Shareholders holding securities in demat mode with NSDL	Members facing any technical issue in login can contact NSDL helpdesk by sending a request at evoting@nsdl.co.in or call at toll free no.: 1800 1020 990 and 1800 22 44 30
Individual Shareholders holding securities in demat mode with CDSL	Members facing any technical issue in login can contact CDSL helpdesk by sending a request at helpdesk.evoting@cdslindia.com or contact at 022- 23058738 or 022-23058542-43

B) Login Method for e-Voting and joining virtual meeting for shareholders other than Individual shareholders holding securities in demat mode and shareholders holding securities in physical mode.

How to Log-in to NSDL e-Voting website?

1. Visit the e-Voting website of NSDL. Open web browser by typing the following URL: <https://www.evoting.nsdl.com/> either on a Personal Computer or on a mobile.
2. Once the home page of e-Voting system is launched, click on the icon "Login" which is available under 'Shareholder/Member' section.
3. A new screen will open. You will have to enter your User ID, your Password/OTP and a Verification Code as shown on the screen.
Alternatively, if you are registered for NSDL eservices i.e. IDEAS, you can log-in at <https://eservices.nsdl.com/> with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e. Cast your vote electronically.
4. Your User ID details are given below :

Manner of holding shares i.e. Demat (NSDL or CDSL) or Physical	Your User ID is:
a) For Members who hold shares in demat account with NSDL.	8 Character DP ID followed by 8 Digit Client ID For example if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****.
b) For Members who hold shares in demat account with CDSL.	16 Digit Beneficiary ID For example if your Beneficiary ID is 12***** then your user ID is 12*****.
c) For Members holding shares in Physical Form.	EVEN Number followed by Folio Number registered with the company For example if folio number is 001*** and EVEN is 101456 then user ID is 101456001***

5. Password details for shareholders other than Individual shareholders are given below:
 - a) If you are already registered for e-Voting, then you can use your existing password to login and cast your vote.
 - b) If you are using NSDL e-Voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and the system will force you to change your password.
 - c) How to retrieve your 'initial password'?
 - (i) If your email ID is registered in your demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password

to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.

- (ii) If your email ID is not registered, please follow steps mentioned below in **process for those shareholders whose email ids are not registered.**

6. If you are unable to retrieve or have not received the "Initial password" or have forgotten your password:
 - a) Click on "[Forgot User Details/Password?](#)" (If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.
 - b) [Physical User Reset Password?](#) (If you are holding shares in physical mode) option available on www.evoting.nsdl.com.
 - c) If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.co.in mentioning your demat account number/folio number, your PAN, your name and your registered address etc.
 - d) Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.
7. After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.
8. Now, you will have to click on "Login" button.
9. After you click on the "Login" button, Home page of e-Voting will open.

Step 2: Cast your vote electronically and join General Meeting on NSDL e-Voting system.

How to cast your vote electronically and join General Meeting on NSDL e-Voting system?

1. After successful login at Step 1, you will be able to see all the companies "EVEN" in which you are holding shares and whose voting cycle and General Meeting is in active status.
2. Select "EVEN" of company for which you wish to cast your vote during the remote e-Voting period and casting your vote during the General Meeting. For joining virtual meeting, you need to click on "VC/OAVM" link placed under "Join General Meeting".
3. Now you are ready for e-Voting as the Voting page opens.
4. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on "Submit" and also "Confirm" when prompted.
5. Upon confirmation, the message "Vote cast successfully" will be displayed.
6. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
7. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

General Guidelines for shareholders

1. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) are required to send scanned copy (PDF/JPG Format) of the relevant Board Resolution/ Authority letter etc. with attested specimen signature of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer by e-mail to csbbansal@gmail.com with a copy marked to evoting@nsdl.co.in.
2. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential. Login to the e-voting website will be disabled upon five unsuccessful attempts to key in the correct password. In such an event, you will need to go through the "[Forgot User Details/Password?](#)" or "[Physical User Reset Password?](#)" option available on www.evoting.nsdl.com to reset the password.
3. In case of any queries, you may refer the Frequently Asked Questions (FAQs) for Shareholders and e-voting user manual for Shareholders available at the download section of www.evoting.nsdl.com or call on toll free no.: 1800 1020 990 and 1800 22 44 30 or send a request to Mr. Anubhav Saxena at evoting@nsdl.co.in

Process for those shareholders whose email ids are not registered with the depositories for procuring user id and password and registration of e mail ids for e-voting for the resolutions set out in this notice:

1. In case shares are held in physical mode please provide Folio No., Name of shareholder, scanned copy of the share certificate (front and back), PAN (self attested scanned copy of PAN card), AADHAR (self attested scanned copy of Aadhar Card) by email to cs.tejnaksh@gmail.com.
2. In case shares are held in demat mode, please provide DPID-CLID (16 digit DPID + CLID or 16 digit beneficiary ID), Name, client master or copy of Consolidated Account statement, PAN (self attested scanned copy of PAN card), AADHAR (self attested scanned copy of Aadhar Card) to cs.tejnaksh@gmail.com. If you are an Individual shareholders holding securities in demat mode, you are requested to refer to the login method explained at **step 1 (A)** i.e. Login method for e-Voting and joining virtual meeting for Individual shareholders holding securities in demat mode.
3. Alternatively shareholder/members may send a request to evoting@nsdl.co.in for procuring user id and password for e-voting by providing above mentioned documents.
4. In terms of SEBI circular dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are required to update their mobile number and email ID correctly in their demat account in order to access e-Voting facility.

THE INSTRUCTIONS FOR MEMBERS FOR e-VOTING ON THE DAY OF THE AGM ARE AS UNDER:-

1. The procedure for e-Voting on the day of the AGM is same as the instructions mentioned above for remote e-voting.
2. Only those Members/ shareholders, who will be present in the AGM through VC/OAVM facility and have not casted their vote on the Resolutions through remote e-Voting and are otherwise not barred from doing so, shall be eligible to vote through e-Voting system in the AGM.
3. Members who have voted through Remote e-Voting will be eligible to attend the AGM. However, they will not be eligible to vote at the AGM.
4. The details of the person who may be contacted for any grievances connected with the facility for e-Voting on the day of the AGM shall be the same person mentioned for Remote e-voting.

INSTRUCTIONS FOR MEMBERS FOR ATTENDING THE AGM THROUGH VC/OAVM ARE AS UNDER:

1. Member will be provided with a facility to attend the AGM through VC/OAVM through the NSDL e-Voting system. Members may access by following the steps mentioned above for **Access to NSDL e-Voting system**. After successful login, you can see link of "VC/OAVM link" placed under "**Join General meeting**" menu against company name. You are requested to click on VC/OAVM link placed under Join General Meeting menu. The link for VC/OAVM will be available in Shareholder/Member login where the EVEN of Company will be displayed. Please note that the members who do not have the User ID and Password for e-Voting or have forgotten the User ID and Password may retrieve the same by following the remote e-Voting instructions mentioned in the notice to avoid last minute rush.
2. Members are encouraged to join the Meeting through Laptops for better experience.
3. Further Members will be required to allow Camera and use Internet with a good speed to avoid any disturbance during the meeting.
4. Please note that Participants Connecting from Mobile Devices or Tablets or through Laptop connecting via Mobile Hotspot may experience Audio/Video loss due to Fluctuation in their respective network. **SECRETARIAL AUDIT REPORT
FORM NO. MR - 3**

FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2022

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies
(Appointment and Remuneration personnel Rule, 2014)]

To,
The Members,
Tejnaksh Healthcare Limited
A/601, Floor no 6, Kailash Business Park,
Veer Savarkar Marg,
Vikroli - West
Mumbai - 400 079

I have conducted the secretarial audit of the Compliance of applicable statutory provisions and the adherence to good corporate practices by **Tejnaksh Healthcare Limited** (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conduct/Statutory compliances and expressing my opinion thereon.

Based on my verification of Tejnaksh Healthcare Limited's books, papers, minute books, form and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial audit, the explanations and clarifications given to us and the representations made by the Management and considering the relaxations granted by the Ministry of Corporate Affairs and Securities and Exchange Board of India warranted due to the spread of the COVID-19 pandemic, I hereby report that in my opinion, the Company has, during the audit period covering the Financial year ended March 31, 2022, complied with the statutory provisions listed hereunder and also that the Company has proper Board- processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

I have examined the books, papers, minute books, form and returns filed and other records maintained by the Company for the financial year ended on March 31, 2022 according to the provisions of

- (1) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (2) The Securities Contracts (Regulation) Act, 1956 (SCRA) and the rules made thereunder;
- (3) The SEBI Depositories Act, 1996 and the Regulations and bye-laws framed thereunder;
- (4) Foreign Exchange Management Act 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (5) The following Regulation and Guidelines prescribed under the Securities and Exchange Board of India Act 1992 ('SEBI Act'):-
 - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;
 - c. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - d. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018; **(Not applicable to the Company during the Audit period)**
 - e. The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 and Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021; **(Not Applicable to the Company during the Audit Period)**
 - f. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; **(Not applicable to the Company during the Audit period)**
 - g. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulation, 1993, regarding the Companies Act and dealing with client;
 - h. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 and The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021; **(Not applicable to the Company during the Audit period)**
 - i. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018; **(Not applicable to the Company during the Audit period)**
 - j. The Securities and Exchange Board of India (Issue and Listing of Non-Convertible and Redeemable Preference Shares) Regulations, 2013; **(Not Applicable to the Company during the Audit Period)**

- k. The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021;
(Not Applicable to the Company during the Audit Period).

I have also examined Compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India.
- (ii) The SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 pursuant to listing agreement entered into by the Company with BSE Limited.

During the period under review the Company has complied with the provision of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

I further report that, having regard to compliance system prevailing in the Company and on examination of relevant documents and records in pursuance thereof on test-check basis, the Company has complied with the following laws applicable specifically to the Company:

1. Drug & Cosmetic Act, 1940 & Rules made there under;
2. The Bombay Nursing Homes Registration Act, 1949 (Amendment Act, 2005);
3. Transplantation of Human Organs Act, 1994 and bye laws made thereunder;
4. Food & Drugs Administration, Dhule.

I further report that the Board of Directors of the Company is duly constituted with Proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all Directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarification on the agenda items before the meeting and for meaningful participation at the meeting.

As per the minutes, decisions at the Board Meetings were taken unanimously.

I further report that there are adequate systems and processes in the Company commensurate with size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period, the Company has passed following Special Resolutions which are having major bearing on the company's affairs in pursuance of the above referred laws, rules, regulations, guidelines.

- i. Authorization under Section 180 of the Companies, Act, 2013, for an aggregate amount not exceeding a sum of Rs.100,00,00,000 (Rupees One Hundred Crore Only)

I further report that during the audit period, there were no instances of:

- (i) Public/Right/ preferential issue of shares/ debentures/ sweat equity.
- (ii) Redemption/ buy-back of securities.
- (iii) Merger/ amalgamation/ reconstruction etc.
- (iv) Foreign technical collaborations.

MANAGEMENT DISCUSSION & ANALYSIS REPORT

INDUSTRY OVERVIEW:

Healthcare has become one of India's largest sector, both in terms of revenue and employment. Healthcare comprises hospitals, medical devices, clinical trials, outsourcing, telemedicine, medical tourism, health insurance and medical equipment. The Indian healthcare sector is growing at a brisk pace due to its strengthening coverage, services and increasing expenditure by public as well private players.

Indian healthcare delivery system is categorised into two major components public and private. The Government, i.e. public healthcare system, comprises limited secondary and tertiary care institutions in key cities and focuses on providing basic healthcare facilities in the form of primary healthcare centres (PHCs) in rural areas. The private sector provides majority of secondary, tertiary, and quaternary care institutions with major concentration in metros and tier I and tier II cities.

India's competitive advantage lies in its large pool of well-trained medical professionals. India is also cost competitive compared to its peers in Asia and Western countries. The cost of surgery in India is about one-tenth of that in the US or Western Europe.

The public healthcare facilities in India have been unable to scale adequately to serve the needs of the large population; reaching the interiors of the country has been another challenge. Additionally, several of these facilities are understaffed, poorly equipped in terms of basic infrastructure and equipment, and in need of enhanced quality standards and protocols. This unmet opportunity combined with strong fundamentals has largely led to the private sector taking center stage in the healthcare landscape. The late 1990s witnessed improvement in the economic conditions and made private healthcare affordable to many Indians. These hospitals turned into Centres of Excellence and over time, became preferred choice for patients and communities over Government hospitals. The private service providers dominate the Indian Healthcare industry and they are using innovative means to overcome some of the operational challenges. These healthcare institutions provide world class facilities, employ highly skilled and globally recognized professionals, leverage advanced technology in treatments, and maintain high standards of quality. The private sector players have been able to occupy a major share of nearly 80% of the country's total healthcare market. They also account for almost 74% of the country's total healthcare expenditure. Their share in hospitals alone is estimated at 74% while its share of hospital beds is estimated at 40%.

Today, the healthcare sector in India offers a potent mix of opportunities and challenges. The significant gap between 'required' and 'actual' healthcare infrastructure has driven considerable investment over the years into assets like hospitals and other facilities. Healthcare in India today provides corporations with a unique opportunity for innovation, differentiation and profits; it has become a preferred sector for strategic and financial investments.

Medical tourism (also called medical travel, health tourism or global health care) is a term initially coined by travel agencies and the mass media to describe the rapidly-growing practice of traveling across international borders to obtain health care.

Such services typically include elective procedures as well as complex specialized surgeries such as joint replacement (knee/hip), cardiac surgery, dental surgery, and cosmetic surgeries. However, virtually every type of health care, including psychiatry, alternative treatments, convalescent care, and even burial services are available. As a practical matter, providers and customers commonly use informal channels of communication-connection-contract, and in such cases, this tends to mean less regulatory or legal oversight to assure quality and less formal recourse to reimbursement or redress, if needed.

Over 50 countries have identified medical tourism as a national industry. However, accreditation and other measures of quality vary widely across the globe, and there are risks and ethical issues that make this method of accessing medical care controversial. Also, some destinations may become hazardous or even dangerous for medical tourists to contemplate.

SWOT ANALYSIS FOR THE SECTOR**STRENGTHS:-**

- Widespread network
- Proficient medical team with rich medical expertise
- Low-cost, quality healthcare
- Growing number of medical colleges
- Growing private investments
- High brand salience
- Availability of highly qualified doctors
- Proficient medical team with rich medical expertise

➤ Technological experience

WEAKNESSES:-

- Rural urban service imbalance
- Capital intensive nature of industry
- Lower public expenditure on health equating to just 1.28% of the GDP
- Lack of capital investment
- Lower accessibility
- Heterogeneous markets

OPPORTUNITIES:-

- Government schemes
- Growing life expectancy
- Growing medical tourism
- Growing middle class income
- Growing lifestyle diseases
- Availability of health insurance
- Underserved and poorly-served markets

THREATS:-

- Shortage of skilled manpower
- Regulatory headwinds
- Capital intensive industry
- Imbalance in cost expectation and service
- Threat to doctors from mob lynching

GOVERNMENT INITIATIVES:

Some of the major initiatives taken by the Government of India to promote Indian healthcare industry are as follows:

Some of the major initiatives taken by the Government of India to promote the Indian healthcare industry are as follows:

- In the Union Budget 2022-23:
 - Rs. 86,200.65 crore (US\$ 11.28 billion) was allocated to the Ministry of Health and Family Welfare (MoHFW).
 - Pradhan Mantri Swasthya Suraksha Yojana (PMSSY) was allocated Rs. 10,000 crore (US\$ 1.31 billion)
 - Human Resources for Health and Medical Education was allotted Rs. 7,500 crore (US\$ 982.91 million).
 - National Health Mission was allotted Rs. 37,000 crore (US\$ 4.84 billion).
 - Ayushman Bharat – Pradhan Mantri Jan Arogya Yojana (AB-PMJAY) was allotted Rs. 6,412 crore (US\$ 840.32 million).
 - The Government of India approved continuation of ‘National Health Mission’ with a budget of Rs. 37,000 crore (US\$ 4.85 billion).
 - Rs. 5,156 crore (US\$ 675.72 million) was allocated to the newly announced PM-ABHIM to strengthen India’s health infrastructure and improve the country’s primary, secondary and tertiary care services.
- In July 2022, the World Bank approved a US\$ 1 billion loan towards India's Pradhan Mantri-Ayushman Bharat Health Infrastructure Mission.
- In November 2021, the Government of India, the Government of Meghalaya and the World Bank signed a US\$ 40-million health project for the state of Meghalaya. Project will improve the quality of health services and strengthen the state’s capacity to handle future health emergencies, including the COVID-19 pandemic.
- By September 21, 2021, the Health Ministry’s eSanjeevani telemedicine service crossed 12 million teleconsultations since its launch, enabling patient-to-doctor consultations from the confines of their homes, and doctor-to-doctor consultations.

- In September 2021, Prime Minister Mr. Narendra Modi launched the Ayushman Bharat Digital Mission. The mission will connect the digital health solutions of hospitals across the country with each other. Under this, every citizen will now get a digital health ID and their health record will be digitally protected.
- In September 2021, the Telangana government, in a joint initiative with World Economic Forum, NITI Aayog and HealthNet Global (Apollo Hospitals), launched 'Medicine from the Sky' project. The project will pave the way for drone delivery of life saving medicines and jabs in far-flung regions of the country.
- According to a spokesperson, the Indian government is planning to introduce a credit incentive programme worth Rs. 500 billion (US\$ 6.8 billion) to boost the country's healthcare infrastructure. The programme will allow firms to leverage the fund to expand hospital capacity or medical supplies with the government acting as a guarantor and strengthen COVID-19-related health infrastructure in smaller towns.
- In July 2021, the Ministry of Tourism established the 'National Medical & Wellness Tourism Board' to promote the medical and wellness tourism in India.
- In July 2021, the Union Cabinet approved continuation of the National Ayush Mission, responsible for the development of traditional medicines in India, as a centrally sponsored scheme until 2026.
- In July 2021, the Union Cabinet approved the MoU between India and Denmark on cooperation in health and medicine. The agreement will focus on joint initiatives and technology development in the health sector, with the aim of improving public health status of the population of both countries.
- In June 2021, the Ministry of Health and Family Welfare, in partnership with UNICEF, held a capacity building workshop for media professionals and health correspondents in Northeastern states on the current COVID-19 situation in India, to bust myths regarding COVID-19 vaccines & vaccination and reinforce the importance of COVID-19 Appropriate Behaviour (CAB).

RECENT DEVELOPMENTS

Between April 2000-March 2022, FDI inflows for drugs and pharmaceuticals sector stood at US\$ 19.41 billion, according to the data released by Department for Promotion of Industry and Internal Trade (DPIIT). FDI inflows in sectors such as hospitals and diagnostic centres and medical and surgical appliances stood at US\$ 7.93 billion and US\$ 2.41 billion, respectively. Some of the recent developments in the Indian healthcare industry are as follows:

- As of July 20, 2022, more than 200.61 crore COVID-19 vaccine doses have been administered across the country.
- As of July 2022, the number medical colleges in India stood at 612.
- In July 2022, the Indian Council of Medical Research (ICMR) released standard treatment guidelines for 51 common illnesses across 11 specialties to assist doctors, particularly in rural regions, in diagnosing, treating, or referring patients in time for improved treatment outcomes.
- In July 2022, the National Pharmaceutical Pricing Authority (NPPA) fixed the retail prices for 84 drug formulations, including those used for the treatment of diabetes, headache, and high blood pressure.
- In March 2022, Hyderabad-based pharmaceutical company Biological E applied for emergency use authorisation (EUA) for its Covid-19 vaccine Corbevax for the 5-12 year age group.
- In January 2022, Phase 3 trials commenced of India's first intranasal vaccine against COVID-19 that is being developed by Bharat Biotech, in conjunction with the Washington University School of Medicine in St Louis, the US.
- Startup HealthifyMe, with a total user base of 30 million people, is adding half a million new users every month and crossed US\$ 40 million ARR in January 2022.
- The number of policies issued to women in FY21 stood at 93 lakh, with one out of every three life insurance policies in FY21 sold to a woman.
- In December 2021, Eka Care became the first CoWIN-approved organization in India, through which users could book their vaccination slot, download their certificate and even create their Health IDs.

- As of November 18, 2021, 80,136 Ayushman Bharat-Health and Wellness Centres (AB-HWCs) are operational in India.
- As of November 18, 2021, 638 e-Hospitals are established across India as part of the central government's 'Digital India' initiative.
- In November 2021, Aster DM Healthcare announced that it is planning Rs. 900 crore (US\$ 120.97 million) capital expenditure over the next three years to expand its presence in India, as it looks at increasing the share of revenue from the country to 40% of the total revenue by 2025.
- In September 2021, Russian-made COVID-19 vaccine, Sputnik Light received permission for Phase 3 trials in India.
- In September 2021, Biocon Biologics Limited, a subsidiary of Biocon, announced a strategic alliance with Serum Institute Life Sciences, a subsidiary of Serum Institute of India (SII). The alliance is expected to strengthen India's position as a global vaccine and biologics manufacturing powerhouse.

HEALTHCARE DELIVERY IN INDIA

Healthcare Delivery system comprises institutions, organisations and persons that operate within the healthcare system, and are responsible for the promotion of health, prevention of illness, detection and treatment of disease and rehabilitation. Healthcare Delivery infrastructure in India has been lagging behind when compared with many countries that are poorer than India in other economic parameters. India's

FINANCIAL POSITION:

During the financial year 2021-22, your Company has achieved total turnover of Rs. 825 Lakh and has incurred net profit of Rs. 251.88 Lakh. The Company has net worth of about Rs. 1,955.30 Lakh as on March 31, 2022.

OUTLOOK FOR THE COMPANY:

With financial sustainability, care delivery, patient centricity, digital transformation, and regulatory compliance at the top of the agenda, health care sector leaders need to collaborate with all stakeholders – both within the health care ecosystem and those in converging industries – as they look to shape the future of health care and establish a sustainable smart health community.

There is an exponential increase in the pace and scale with which digital health care innovations are emerging. Digital technologies are supporting health systems' efforts to transition to new models of patient-centered care and helping them develop "smart health" approaches to increase access and affordability, improve quality, and lower costs. From lockchain, RPA, cloud, artificial intelligence (AI), and robotics, to internet of medical things (IoMT), digital and virtual reality are just some of the ways technology is disrupting health care. These technologies are helping with diagnosis and treatment, helping with speed, quality and accuracy, and improving the patient experience.

Tejnakh has managed to continue its growth in the year under review, despite the challenges coming from the coronavirus outbreak. The Company is confident of its service capabilities and domain expertise that has created a niche in the healthcare market. It is committed to outperform the industry average growth in the coming fiscal year backed by its unique business model and service edge.

ROAD AHEAD

India is a land full of opportunities for players in the medical devices industry. The country has also become one of the leading destinations for high-end diagnostic services with tremendous capital investment for advanced diagnostic facilities, thus catering to a greater proportion of the population. Besides, Indian medical service consumers have become more conscious towards their healthcare upkeep.

India's healthcare sector is very diversified and is full of opportunities in every segment, which includes providers, payers, and medical technology. With the increase in the competition, businesses are looking to explore the latest dynamics and trends which will have a positive impact on their business. The hospital industry in India is forecast to increase to Rs. 8.6 trillion (US\$ 132.84 billion) by FY22 from Rs. 4 trillion (US\$ 61.79 billion) in FY17 at a CAGR of 16-17%.

The Government of India is planning to increase public health spending to 2.5% of the country's GDP by 2025.

References: Department for Promotion of Industry and Internal Trade (DPIIT), RNCOS Reports, Media Reports, Press Information Bureau (PIB), Union Budget 2022-23

MARKET SIZE:

The Indian healthcare sector is expected to record a three-fold rise, growing at a CAGR of 22% between 2016–22 to reach US\$ 372 billion in 2022 from US\$ 110 billion in 2016.

By FY22, Indian healthcare infrastructure is expected to reach US\$ 349.1 billion.

As of 2021, the Indian healthcare sector is one of India's largest employers as it employs a total of 4.7 million people. The sector has generated 2.7 million additional jobs in India between 2017-22 -- over 500,000 new jobs per year.

In the Economic Survey of 2022, India's public expenditure on healthcare stood at 2.1% of GDP in 2021-22 against 1.8% in 2020-21 and 1.3% in 2019-20.

In FY21, gross direct premium income underwritten by health insurance companies grew 13.3% YoY to Rs. 58,572.46 crore (US\$ 7.9 billion). The health segment has a 29.5% share in the total gross written premiums earned in the country.

The Indian medical tourism market was valued at US\$ 2.89 billion in 2020 and is expected to reach US\$ 13.42 billion by 2026. According to India Tourism Statistics at a Glance 2020 report, close to 697,300 foreign tourists came for medical treatment in India in FY19. India has been ranked 10th in the Medical Tourism Index (MTI) for 2020-21 out of 46 destinations by the Medical Tourism Association.

The e-health market size is estimated to reach US\$ 10.6 billion by 2025.

As per information provided to the Lok Sabha by the Minister of Health & Family Welfare, Dr. Bharati Pravin Pawar, the doctor population ratio in the country is 1:854, assuming 80% availability of 12.68 lakh registered allopathic doctors and 5.65 lakh AYUSH doctors.

Primary Healthcare:

Primary care facilities are outpatient units that offer basic, point-of-contact medical and preventive healthcare services, where patients come for routine health screenings and vaccinations. This is the first point of contact between the populace and the healthcare service providers. These facilities do not have intensive care units (ICU) or operation theatres.

Their infrastructure offers basic medical and health prevention services through a network of Sub Centers and Primary Health Centers in rural areas, whereas in urban areas it is provided through Health Posts and Family Welfare Centers. Primary Care Centres also act as feeders for secondary / tertiary care hospitals, where patients are referred to for treatment of chronic / serious ailments.

Secondary Healthcare:

Secondary care facilities diagnose and treat ailments that cannot be treated in primary care facilities. These act as the second point of contact in the healthcare system. In India, the health centers for secondary health care include District Hospitals and Community Health Centres at the block level.

This infrastructure provides inpatient as well as outpatient medical services which includes simple surgical procedures. Some of medical specialties offered under secondary healthcare include internal medicine, pediatrics and limited coverage of other specialties like urology, cardiology, and other specialties.

Tertiary Healthcare:

Tertiary care hospitals provide advanced healthcare services, usually on referral from primary or secondary medical care Providers. Specialized Intensive Care Units, advanced diagnostic support services and specialized medical personnel are key features of tertiary health care. Single-specialty tertiary care hospitals treat a particular ailment such as cardiac, cancer, etc. On the other hand, there are multi-specialty tertiary hospitals that offer all medical specialties under one roof and treat complex cases such as multi organ failure, high-risk, and trauma cases. In India, under the public health system, tertiary care service is also provided by medical colleges and advanced medical research institutes.

HUMAN RESOURCES AND INDUSTRIAL RELATION:

At Tejnakh, we believe that our success is the end results of the achievement of our team. Our performance metrics are clearly defined and for real achievers we offer an accelerated career growth unhindered by any hierarchy. Tejnakh offers a merit led environment where talent is respected and achievements are rewarded. Our flat management structure allows genuine appreciation of good work and we believe in delegating responsibilities.

We continually empower our team members to better themselves and offer clear career paths for advancement. The Company takes extreme pride in its greatest resource and asset - the employees. Our constant endeavours have been

towards encouraging a culture of employee recognition & motivation and we are able to achieve this through are well designed policies & processes like Rewards & Recognition and other various employee benefit schemes. We also believe that the young talent has out of the box creativity and we nurture them to have become a proficient leader. The issues pertaining to workers are resolved in harmonious and in cordial manner through regular interactions. We believe whatever we achieved from where we started our journey long back is the result of efforts of our team. So, we consistently aim to provide a sustainable environment for learning right from the stage of recruitment to retention.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

The Internal audit was carried out by firm of Chartered Accountants, who conduct the audit on the basis of Annual Audit Plan. The processes include review and evaluation of effectiveness of the existing processes, controls and compliances. It also ensures adherence to policies and systems, and mitigation of the operational risks perceived for each areas under audit. Significant observations including recommendations for improvement of the business processes were reviewed by the management before reporting to the Audit Committee. The committee has reviewed the Internal Audit procedures, findings and status of implementation of the agreed action plan.

Section 134(5) (e) of the Companies Act, 2013 requires a company to lay down Internal Financial Controls system (IFC) and to ensure that these are adequate and operating effectively. Internal financial controls, here, means the policy and procedure adopted by the company for ensuring the orderly and efficient conduct of its business including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information.

The above requirement has the following elements:

1. Orderly and efficient conduct of business.
2. Safeguarding of its assets.
3. Adherence to company's policies.
4. Prevention and detection of frauds and errors.
5. Accuracy and completeness of the accounting records and timely preparation of reliable financial information.

At Tejnakh Healthcare Limited, the internal financial controls system is in place and incorporates all the five elements as mentioned above. In addition, the Company has a transparent framework for periodic evaluation of the internal financial controls in the form of internal audit exercise carried out through the year and online controls self-assessment through Controls Manager Software, thereby reinforcing the commitment to adopt best corporate governance practices.

CAUTIONARY STATEMENT

Statements in the Management Discussion and Analysis Report, describing the Company's objectives, projections and estimates, are forward-looking statements and progressive within the meaning of applicable securities laws and regulations. Actual results may differ materially from those expressed in the statement. Important factors that could influence the company's operations include global and domestic demand and supply conditions affecting selling prices, input availability and prices, changes in government regulations, tax laws, economic developments within the country and other factors such as litigation and industrial relations.

Independent Auditor's Report

To
The Members,
Tejnaksh Healthcare Limited,
Mumbai

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying Standalone financial statements of **Tejnaksh Healthcare Limited** ("*the Company*") which comprises the standalone Balance Sheet as at March 31, 2022, the Standalone Statement of Profit and Loss (including other comprehensive income), Standalone statement of changes in equity and Standalone statement of cash flows for the year then ended, and notes to the Standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and profit, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Standalone financial statements.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the Board's Report including Annexures to the Board's Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information. We are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually

or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has an adequate internal financial controls system with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1) As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give (in the Annexure A) a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2) As required by Section 143(3) of the Act, based on our Audit we report that:

(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

(b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

(c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss including other comprehensive income, Standalone statement of changes in Equity and the Standalone Cash Flow Statement dealt with by this Report are in agreement with the books of account.

(d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.

(e) On the basis of the written representations received from the directors as on 31st March, 2022 taken on record by the Board of Directors, none of the directors are disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.

(f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".

(g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 read with schedule of the Act.

(h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company does not have any pending litigations which would impact its financial position;
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.;
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company
- iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

Annexure A to the Independent Auditors Report

The Annexure referred to in our Independent Auditors' Report to the members of Tejnakhsh Healthcare Limited on the standalone financial statements for the year ended 31st March, 2022, we report that:

- (i) (a) (A) In our opinion the Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of right to-us- assets.
 - (B) The Company has maintained proper records showing full particulars of Intangible assets.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has a program of physical verification of Property, Plant and Equipment and right-of-use assets so to cover all the assets once every three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain Property, Plant and Equipment were due for verification during the year and were physically verified by the Management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us the title deeds of the Immovable properties are held in the name of the company.
- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company. The Company has not revalued any of its Property, Plant and Equipment (including right-of-use assets) and intangible assets during the year.
- (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- (ii) (a) As explained to us the inventory has been physically verified by the management during the year at reasonable intervals. In our opinion the frequency of such verification is reasonable. No material discrepancies noticed on physical verification of inventories as compared to the book record that were more than 10% in the aggregate of each class of inventory.
- (b) The Company has not been sanctioned working capital limits in excess of ₹ 5 crore, in aggregate, at any points of time during the year, from banks or financial institutions on the basis of security of current assets and hence reporting under clause 3(ii)(b) of the Order is not applicable.
- (iii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any investments, provided guarantee or security or granted any advances in the nature of loans, secured or unsecured, to companies, firms, limited liability

partnerships or any other parties during the year.

- (a) Based on the audit procedures carried on by us and as per the information and explanations given to us, the Company has not granted any loans to subsidiaries and other than subsidiaries during the year.
- (b) According to the information and explanations given to us and based on the audit procedures conducted by us, the company has not made any investments, guarantees provided, security given to any of the parties mentioned above. Hence the reporting under 3(iii) (b) of the Order is not applicable.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the company has not granted any loan. Hence the reporting under 3(iii) (c) of the Order is not applicable.
- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the company has not granted any loan. Hence the reporting under 3(iii) (d) of the Order is not applicable.
- (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there is no loan given falling due during the year, which has been renewed or extended or fresh loans given to settle the overdues of existing loans given to the same party.
- (f) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not given any loans either repayable on demand or without specifying any terms or period of repayment.
- (iv) In our opinion and According to the information and explanations provided to us, the Company has not granted any loans or provided any guarantees or security to the parties covered under Section 185 and 186 of the Act and therefore, the provisions of clause (iv) of the Order are not applicable to the Company.
- (v) The Company has not accepted any deposits or amounts which are deemed to be deposits from the public. Accordingly, clause 3(v) of the Order is not applicable to the Company.
- (vi) The maintenance of cost records has not been specified by the Central Government under sub-section (1) of section 148 of the Companies Act, 2013 for the business activities carried out by the Company. Hence, reporting under clause (vi) of the Order is not applicable to the Company.
- (vii) (a) According to the information and explanations given to us, the Company is generally regular in depositing with appropriate authorities undisputed statutory dues including Provident fund, Income-tax, Goods and Services tax, Duty of Custom, Duty of Excise, and Other Statutory Dues applicable to it. And no undisputed amounts payable in respect of Provident fund, Income-tax, Goods and Service tax, Duty of custom, Duty of excise, Cess and Other Statutory Dues were outstanding, at the year end, for a period of more than six months from the date they became payable.

- (b) According to the information and explanations given to us, there are no dues of GST, Provident fund, Income-tax, Duty of Customs, Cess or other statutory dues which have not been deposited by the Company on account of disputes.
- (viii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the tax assessments under the Income-tax Act, 1961 as income during the year.
- (ix) (a) According to the information and explanations given to us, the company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
- (b) According to the information and explanations given to us, the Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) According to the information and explanation given to us, the company has utilized the money obtained by way of term loan during the year for the purpose for which they were obtained.
- (d) According to the information and explanations given to us and on an overall examination of the balance sheet of the Company, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.
- (e) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries as defined under the Companies Act, 2013. Accordingly, clause 3(ix)(e) of the Order is not applicable.
- (f) According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiaries as defined under the Companies Act, 2013. Accordingly, clause 3(ix)(f) of the Order is not applicable.
- (x) (a) The Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, clause 3(x)(a) of the Order is not applicable.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, clause 3(x)(b) of the Order is not applicable.
- (xi) (a) Based on examination of the books and records of the Company and according to the information and explanations given to us, considering the principles of materiality outlined in Standards on Auditing, we report that no fraud by the Company or on the Company has been noticed or reported during the course of the audit.
- (b) According to the information and explanations given to us, no report under sub-

section (12) of Section 143 of the Companies Act, 2013 has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.

- (c) As represented to us by the management, there are no whistle blower complaints received by the company during the year.
- (xii) According to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, clause 3(xii) of the Order is not applicable.
- (xiii) In our opinion and according to the information and explanations given to us, the transactions with related parties are in compliance with Sections 177 and 188 of the Companies Act, 2013, where applicable, and the details of the related party transactions have been disclosed in the standalone financial statements as required by the applicable Indian Accounting Standards.
- (xiv) (a) Based on information and explanations provided to us, in our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.

(b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- (xv) In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or persons connected to its directors and hence, provisions of Section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi) (a) In our opinion and according to the information and explanations given to us, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(a) of the Order is not applicable.

(b) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(b) of the Order is not applicable.

(c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, clause 3(xvi)(c) of the Order is not applicable.

(d) According to the information and explanations provided to us during the course of audit, the company does not have any CIC. Accordingly, the requirements of clause 3(xvi)(d) are not applicable.
- (xvii) The Company has not incurred cash losses in the current and in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors during the year. Accordingly, clause 3(xviii) of the Order is not applicable.
- (xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the standalone

financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- (xx) In our opinion and according to the information and explanations given to us, Section 135 of the Act is not applicable. Accordingly, clause 3(xx) of the Order is not applicable.

Annexure “B” to the Independent Auditors Report

Report on the Internal Financial Controls with reference to the aforesaid standalone financial statements under Clause (i) of Sub-section 3 of section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Tejnakhsh Healthcare Limited as of 31st March, 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls with reference to standalone financial statements based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143 (10) of the Companies Act, 2013 to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting with reference to standalone financial statements included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting with reference to standalone financial statements.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control with reference to standalone financial statements over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over with reference to standalone financial statements financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls with reference to standalone financial statements over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to standalone financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedure may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls over financial reporting with reference to these Standalone Financial Statements and such internal financial controls over financial reporting with reference to these Standalone Financial Statements were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

TEJNAKSH HEALTHCARE LIMITED
NOTES TO FINANCIAL STATEMENTS FOR THE PERIOD ENDED MARCH 31, 2021

1 Corporate Information

Tejnaksh Healthcare Limited ('the Company')(CIN: L85100MH2008PLC179034) is a public company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. Its shares are listed on one recognised stock exchange in India. The registered office of the company is located at A 601 Floor No 6 Kailash Business Park Veer Savarkar Marg, Mumbai - 400079.

The Company is engaged in the provision hospital and healthcare service in Mumbai and other parts of Maharashtra.

2 Significant Accounting Policies

2.1 Statement of Compliance

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules as amended from time to time and other relevant provisions of the Act.

3 Basis of preparation and presentation

The financial statements have been prepared on the historical cost basis except for certain financial instruments and deferred benefit plans that are measured at fair value at the end of each reporting period.

Historical Cost is generally based on the fair value of the consideration given in exchange of goods and services.

3.1 Summary of significant accounting policies

(a) Foreign currency translation

(i) Functional and presentation currency

Items included in the financial statements of the entity are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is entity's functional and presentation currency.

(ii) Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in profit or loss.

(b) Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue is net of returns, trade allowances, rebates, value added taxes and amounts collected on behalf of third parties. The company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and specific criteria have been met for each of the company's activities as described below.

Recognising revenue from major business activities

(i) Sale of traded goods – pharmacy items

Revenue from sale of pharmacy items are recognized on delivery of items to the customers which is when all the significant risks and rewards of ownership of the goods are passed to the customers.

(ii) Inpatient and Outpatient Revenue

Inpatient and Outpatient revenue is recognized as and when the related services are rendered.

Estimates of revenues, costs or extent of progress toward completion are revised if circumstances change. Any resulting increases or decreases in estimated revenues or costs are reflected in profit or loss in the period in which the circumstances that give rise to the revision become known by management.

(iii) Interest income

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

TEJNAKSH HEALTHCARE LIMITED
NOTES TO FINANCIAL STATEMENTS FOR THE PERIOD ENDED MARCH 31, 2021

(iv) Dividend income

Revenue is recognised when the company's right to receive the payment is established, which is generally when shareholders approve the dividend.

(c) Government Grants

Government grants are not recognised until there is reasonable assurance that the Company will comply with the conditions attaching to them and such grants can reasonably have a value placed upon them. Government grants are recognised in the profit or loss on a systematic basis over there periods in which the Company recognises as expense the related costs for which the grant was intended to compensate.

Government grants that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the Company with no future related costs are recognised in profit or loss in the period they become receivable.

(d) Taxes

(i) Current income tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The current tax is calculated using tax rates and tax laws that have been enacted by the end of the reporting period.

Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961.

(ii) Deferred tax

Deferred income tax is recognised using the Balance sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred income tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred income tax asset are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized.

Deferred tax assets and liabilities are measured using substantively enacted tax rates expected to apply to taxable income in the years in which the temporary differences are expected to be received or settled.

Deferred tax assets and liabilities are offset when they relate to income taxes levied by the same taxation authority and there are legally enforceable right to set off current tax assets and liabilities.

Deferred tax assets include Minimum Alternate Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future economic tax liability. Accordingly, MAT is recognised as deferred tax asset in the Balance sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with the asset will be realised.

(e) Leases

(i) Company as a lessee

At inception of a contract, the Company assesses whether a contract is or contains a lease. A contract is or contains a lease if the contract conveys the right to control the use of an identified assets for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset the Company assesses whether contract involves the use of an identified asset, the Company has a right to obtain substantially all of the economic benefits from the use of the asset throughout the period of use and the Company has the right to direct the use of the asset.

TEJNAKSH HEALTHCARE LIMITED
NOTES TO FINANCIAL STATEMENTS FOR THE PERIOD ENDED MARCH 31, 2021

At the inception date, right-of-use asset is recognised at cost which includes present value of lease payments adjusted for any payments made on or before the commencement of lease and initial direct cost, if any. It is subsequently measured at cost less accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. Right-of-use asset is depreciated using the straight-line method from the commencement date over the earlier of useful life of the asset or the lease term. When the Company has purchase option available under lease and cost of right-of-use assets reflects that purchase option will be exercised, right-of-use asset is depreciated over the useful life of underlying asset. Right-of-use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognised in the statement of profit and loss.

At the inception date, lease liability is recognised at present value of lease payments that are not made at the commencement of lease. Lease liability is subsequently measured by adjusting carrying amount to reflect interest, lease payments and remeasurement, if any.

The Company has elected not to apply requirements of Ind AS 116 to leases that has a term of 12 months or less and leases for which the underlying asset is of low value. Lease payments of such lease are recognised as an expense on straight line basis over the lease term.

(ii) Company as a lessor

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

When the Company is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the ROU asset arising from the head lease.

For operating leases, rental income is recognized on a straight line basis over the term of the relevant lease.

(f) Impairment of non financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. An impairment loss is recognised immediately in the statement of profit and loss.

(g) Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

(h) Inventories

Inventories of medical consumables and drugs are valued at lower of cost or net releasable value. Cost is determined on weighted average basis.

Net realizable value represents the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

Due allowance is estimated and made by the Management for slow moving / non-moving items of inventory, wherever necessary, based on the past experience of the Company and such allowances are adjusted against the carrying inventory value.

(i) Non-current assets held for sale

TEJNAKSH HEALTHCARE LIMITED
NOTES TO FINANCIAL STATEMENTS FOR THE PERIOD ENDED MARCH 31, 2021

Non-current assets and disposal groups are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use. This condition is regarded as met only when the asset (or disposal group) is available for immediate sale in its present condition subject only to terms that are usual and customary for sales of such asset (or disposal group) and its sale is highly probable. Management must be committed to the sale, which should be expected to qualify for recognition as a completed sale within one year from the date of classification.

Non-current assets (and disposal groups) classified as held for sale are measured at the lower of their carrying amount and fair value less costs to sell.

TEJNAKSH HEALTHCARE LIMITED
NOTES TO FINANCIAL STATEMENTS FOR THE PERIOD ENDED MARCH 31, 2021

(j) Fair value measurement

The Company measures financial instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

(k) Financial instruments

Initial recognition

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities that are not at fair value through profit or loss are added to the fair value on initial recognition. Regular way purchase and sale of financial assets are accounted for at trade date.

Subsequent measurement

(i) Financial assets carried at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(ii) Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit

(iii) or loss

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss.

(iv) Financial liabilities

Financial liabilities are subsequently carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

(v) Investment in subsidiaries

Investment in subsidiaries is carried at cost in the separate financial statements.

(vi) Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of company after deducting all of its liabilities. Equity instruments are recognised at the proceeds received, net of direct issue costs.

TEJNAKSH HEALTHCARE LIMITED
NOTES TO FINANCIAL STATEMENTS FOR THE PERIOD ENDED MARCH 31, 2021

(l) Impairment of financial assets

The Company measures the loss allowance for a financial instrument at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. If the credit risk on a financial instrument has not increased significantly since initial recognition, the Company measures the loss allowance for that financial instrument at an amount equal to 12-month expected credit losses.

However, for trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 115, the Company measures the loss allowance at an amount equal to lifetime expected credit losses.

When making the assessment of whether there has been a significant increase in credit risk since initial recognition, the Company uses the change in the risk of a default occurring over the expected life of the financial instrument instead of the change in the amount of expected credit losses. To make that assessment, the Company compares the risk of a default occurring on the financial instrument as at the reporting date with the risk of a default occurring on the financial instrument as at the date of initial recognition and considers reasonable and supportable information, that is available without undue cost or effort, that is indicative of significant increases in credit risk since initial recognition.

(m) Derecognition of financial assets and financial liabilities

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay.

The Company derecognises financial liabilities when, and only when, the Company's obligations discharged, cancelled or have expired. An exchange between with a lender of debt instruments substantially different terms is accounted for as an extinguishment of the original financial liability the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in the statement of profit and loss.

(n) Property, plant and equipment

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at cost less depreciation. The cost of an asset includes the purchase cost including import duties and non-refundable taxes, borrowing costs if capitalization criteria are met and any directly attributable costs of bringing an asset to the location and condition of its intended use.

Subsequent expenditure related to an item of PPE is added to its carrying value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance.

All other expenditure related to existing assets including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss in the period during which such expenditure is incurred.

Projects under which tangible fixed assets are not yet ready for their intended use are carried at cost, comprising of direct cost, related incidental expenses and attributable interest and such properties are classified to the appropriate categories of PPE when completed and ready to use.

The carrying amount of a PPE is de-recognised upon disposal of PPE or when no future economic benefits are expected from its use. Any gain or loss arising on the disposal or retirement of an item of PPE is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the statement of profit and loss.

Depreciation methods, estimated useful lives and residual value

Depreciation on Property, Plant and Equipment (PPE) has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013.

TEJNAKSH HEALTHCARE LIMITED

NOTES TO FINANCIAL STATEMENTS FOR THE PERIOD ENDED MARCH 31, 2021

The property, plant and equipment acquired under finance leases is depreciated over the asset's useful life or over the shorter of the asset's useful life and the lease term if there is no reasonable certainty that the company will obtain ownership at the end of the lease term.

TEJNAKSH HEALTHCARE LIMITED
NOTES TO FINANCIAL STATEMENTS FOR THE PERIOD ENDED MARCH 31, 2021

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

(o) Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost less accumulated amortisation and accumulated impairment losses, if any.

Goodwill

Goodwill arising on an acquisition of a business is carried at cost as established at the date of acquisition of the business less accumulated impairment losses, if any. For the purposes of impairment testing, goodwill is allocated to each of the Company's cash-generating units that is expected to benefit from the synergies of the combination. A cash-generating unit to which goodwill has been allocated is tested for impairment annually, or more frequently when there is an indication that the unit may be impaired. If the recoverable amount of the cash-generating unit is less than its carrying amount, the impairment loss is allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to the other assets of the unit pro rata based on the carrying amount of each asset in the unit. Any impairment loss for goodwill is recognised directly in profit or loss. An impairment loss recognised for goodwill is not reversed in subsequent periods.

On disposal of the relevant cash-generating unit, the attributable amount of goodwill is included in the determination of the profit or loss on disposal.

Trade Mark, Patents, copyrights and other rights

Separately acquired patents and copyrights are shown at cost. They have a finite useful life and are subsequently carried at cost less accumulated amortisation and impairment losses.

Computer software

Cost of software and licenses, which are acquired, are capitalised and amortized on a straight line basis over a period of 3 to 6 years or the license period, whichever is lower.

The amortisation period and method are reviewed at the end of each reporting period if the expected useful life of the asset changes from previous estimates, the effect of such change in estimates are accounted for prospectively.

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains and losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit and loss when the asset is de-recognised.

(p) Business combinations and goodwill

Acquisitions of businesses are accounted for using the acquisition method. The consideration transferred in a business combination is measured at fair value, which is calculated as the sum of the acquisition-date fair values of the assets transferred by the Company, liabilities incurred by the Company to the former owners of the acquiree and the equity interests issued by the Company in exchange of control of the acquiree. Acquisition-related costs are generally recognised in profit or loss as incurred.

Goodwill is measured as the excess of the sum of the consideration transferred, the amount of any non-controlling interests in the acquiree, and the fair value of the acquirer's previously held equity interest in the acquiree (if any) over the net of the acquisition-date amounts of the identifiable assets acquired and the liabilities assumed.

(q) Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognised in the statement of profit and loss in the period in which they are incurred.

TEJNAKSH HEALTHCARE LIMITED
NOTES TO FINANCIAL STATEMENTS FOR THE PERIOD ENDED MARCH 31, 2021

(r) Provisions

Provisions are recognised when the company has a present obligation (legal or constructive) as a result of a past event, it is probable that the company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

(s) Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

(t) Employee benefits

Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

Post-employment obligations

Gratuity

The Company has an obligation towards gratuity. It provides for a lump sum payment to vested employees at retirement, death while in employment or on termination of employment of an amount based on the respective employee's salary and the tenure of employment. The liability in respect of gratuity is recognised in the books of account based on actuarial valuation by an independent actuary.

Defined contribution plans

The company pays provident fund contributions to publicly administered provident funds as per local regulations. The company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available.

(u) Earnings per share

The Company presents basic and diluted earnings per share ("EPS") data for its equity shares.

Basic EPS is calculated by dividing the profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period.

Diluted EPS is determined by adjusting the profit or loss attributable to equity shareholders and the weighted average number of equity shares outstanding, for the effects of all dilutive potential equity shares.

Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease earning per share. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

TEJNAKSH HEALTHCARE LIMITED
NOTES TO FINANCIAL STATEMENTS FOR THE PERIOD ENDED MARCH 31, 2021

(v) Segment Reporting

Operating segments reflect the Company's management structure and the way the financial information is regularly reviewed by the Company's Chief operating decision maker (CODM). The CODM considers the business from both business and product perspective based on the dominant source, nature of risks and returns and the internal organization and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit / (loss) amounts are evaluated regularly by the executive Management in deciding how to allocate resources and in assessing performance.

The accounting policies adopted for segment reporting are in line with the accounting policies of the Company. Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship to the operating activities of the segment.

(w) Operating cycle

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

4 Critical accounting judgements and key sources of estimation uncertainty

In the application of the Company's accounting policies, which are described in Note 2, the management of the Company are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Critical judgements in applying accounting policies

The following are the critical judgements, apart from those involving estimations, that the directors have made in the process of applying the Company's accounting policies and that have the most significant effect on the amounts recognised in the financial statements.

(i) Useful lives of property, plant and equipment

Management reviews the useful lives of property, plant and equipment at least once a year. Such lives are dependent upon an assessment of both the technical lives of the assets and also their likely economic lives based on various internal and external factors including relative efficiency and operating costs. Accordingly, depreciable lives are reviewed annually using the best information available to the Management.

(ii) Impairment of non financial assets and goodwill

Determining whether the asset/goodwill is impaired requires an estimation of the value in use of the cash-generating units to which asset/goodwill has been allocated. The value in use calculation requires the Company to estimate the future cash flows expected to arise from the cash-generating unit and a suitable discount rate in order to calculate present value. Where the actual future cash flows are less than expected, a material impairment loss may arise.

(iii) Valuation of deferred tax assets

The Company reviews the carrying amount of deferred tax assets at the end of each reporting period.

(iv) Provisions and Contingent liabilities

A provision is recognised when the Company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. These are reviewed at each Balance sheet date and adjusted to reflect the current best estimates.

5 Recent Accounting Pronouncements

TEJNAKSH HEALTHCARE LIMITED
NOTES TO FINANCIAL STATEMENTS FOR THE PERIOD ENDED MARCH 31, 2021

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On 23rd March, 2022 MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, applicable from 1st April 2022, as below:

a) Ind AS 16 – Proceeds before intended use

The amendments clarifies that excess of net sale proceeds of items produced over the cost of testing, if any, shall not be recognized in the profit or loss but deducted from the directly attributable costs considered as a part of cost of an item of property, plant and equipment. The effective date for adoption of this amendment is annual periods beginning on or after 1st April 2022. The company has evaluated the amendment and there is no impact on its financial statements.

b) Ind AS 103 – Reference to Conceptual Framework

The amendments specify that to qualify for recognition as part of applying the acquisition method, the identifiable assets acquired and liabilities assumed must meet the definitions of assets and liabilities in the Conceptual Framework for Financial Reporting under Indian Accounting Standards (Conceptual Framework) issued by the Institute of Chartered Accountants of India at the acquisition date. These changes do not significantly change the requirements of Ind AS 103. The company does not expect the amendment to have any significant impact in its financial statements.

c) Ind AS 37 – Onerous Contracts - Costs of Fulfilling a Contract

The amendments specify that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts. The amendment is essentially a clarification and the Company does not expect the amendment to have any significant impact in its financial statements.

(i) Impairment testing of goodwill

The goodwill is measured as the excess of the sum of the consideration transferred over the net of acquisition date amount of identified assets acquired and liabilities assumed.

For the purpose of impairment testing, goodwill is allocated to the cash generating units (businesses acquired) that is expected to benefit from the synergies of the combination.

The Company tests whether goodwill has suffered any impairment periodically. The recoverable amount of a cash generating unit (CGU) is determined based on fair value less cost to sell of the underlying asset.

Based on the evaluation by the management, the goodwill has not suffered any impairment during the year.

On 1st February, 2021 the company discontinued and disposed off its operations at Lion Tarachand Bapa Hospital, Mumbai. On disposal the attributable amount of goodwill is included in the determination of the profit or loss on disposal.

(vii) Terms and conditions of transactions with related parties

The sales to and purchases from related parties are made on terms equivalent to those that prevail in arm's length transactions. Outstanding balances at the year end are unsecured and interest free and settlement occurs in cash. For the year ended March 31, 2022, the company has not recorded any impairment of receivables relating to amount owed by related parties (March 31, 2021: NIL). This assessment is undertaken each financial year through examining the financial position of the related party and market in which the related party operates.

35. SEGMENT REPORTING

The Company has a single operating segment, namely, health care services and the information reported to the chief operating decision maker (CODM) for the purposes of resource allocation and assessment of performance focusses on this operating segment. Further the company does not have any separate geographic segment other than India. Accordingly, the amounts appearing in these financial statements relate to this operating segment.

36. FAIR VALUE MEASUREMENTS

i. Financial Instruments by Category

(₹ in lacs)

Particulars	Carrying Amount		Fair Value	
	March 31, 2022	March 31, 2021	March 31, 2022	March 31, 2021
FINANCIAL ASSETS				
Amortised cost				
Cash and Cash Equivalents	90.82	56.20	90.82	56.20
Other Financial Assets	14.90	517.12	14.90	517.12
FVTPL				
Investment in Equity Instruments	0.01	0.01	0.01	0.01
Total	105.73	573.32	105.73	573.32
FINANCIAL LIABILITIES				
Amortised cost				
Borrowings	629.59	418.22	629.59	418.22
Trade Payables	15.30	15.94	15.30	15.94
Deposit Payable	54.50	38.07	54.50	38.07
Total	699.38	472.22	699.38	472.22

The management assessed that the fair value of cash and cash equivalent, trade receivables, trade payables, and other current financial assets and liabilities approximate their carrying amounts largely due to the short term maturities of these instruments.

The fair values for security deposits were calculated based on cash flows discounted using a current lending rate. They are classified as level 3 fair values in the Fair value hierarchy due to the inclusion of unobservable inputs including counterparty credit risk.

The fair values of non current borrowings are based on discounted cash flows using a current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs, including own credit risk.

ii. Fair Value Hierarchy

The company has classified its financial instruments into three levels prescribed under the accounting standard as follows:

Assets and liabilities measured at fair value

Assets and liabilities measured at fair value								
Particulars	March 31, 2022			Total	March 31, 2021			Total
	Fair value measurement using				Fair value measurement using			
	Quoted prices in active markets (Level 1)	Significant Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)		Quoted prices in active markets (Level 1)	Significant Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	
Financial Assets								
Investment in Equity Instruments		0.01		0.01		0.01		0.01
Total Assets	-	0.01	-	0.01	-	0.01	-	0.01

There have been no transfers among Level 1, Level 2 and Level 3 during the period

37. BUSINESS COMBINATIONS

(1) Discontinued operations

On 1st february,2021 the company discontinued and disposed off its operations at Lion Tarachand Bapa Hospital, Mumbai.

The details of disposal of unit :

March 31, 2021

Particulars	Amount (in lacs)
Consideration Received	314.00
Carring Amount of Assets Sold	314.56
Loss on disposal	0.56

The carring amount of assets and liabilities as at the date of sale (01 February 2021) were as follows:

Particulars	March 31, 2021 Amount (in lacs)
Property, plant and equipment	105.91
Intangible Assets	102.04
Trade Receivable	8.36
Other current Assets	102.00
Total Assets	318.31
Other current liabilities	3.75
Total Liabilities	3.75
Net Assets	314.56

38. FINANCIAL RISK MANAGEMENT

The Company manages financial risk relating to the operations through internal risk reports which analyse exposure by degree and magnitude of risk. These risks include market risk (including interest rate risk and other price risk), credit risk and liquidity risk. The focus of the chief operating decision maker (CODM) is to assess the unpredictability of the financial environment and to mitigate potential adverse effects, if any, on the financial performance of the Company.

The Company does not enter into or trade financial instruments including derivative financial instruments for speculative purpose.

(A) Credit risk

Credit risk is the risk that counterparty will default on its contractual obligation resulting in a financial loss to the company. The credit risk arises primarily on trade receivables and deposits with banks and other financial instruments.

The Company's hospital and healthcare services and sale of medical goods are on the counter sale i.e. on cash basis and as such no credit risk arises.

Exposures to customers outstanding at the end of each reporting period are reviewed by the Company to determine expected credit losses. Historical trends of impairment of trade receivables do not reflect any credit losses. Given that there is no substantial change in the economic environment affecting customers of the Company, the Company expects the historical trend of immaterial credit losses to continue.

Credit risk on cash and bank balances is limited as company counterparties are banks with high credit ratings assigned credit rating agencies.

(B) Liquidity risk

Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The Company consistently generated sufficient cash flows from operations to meet its financial obligations as and when they fall due.

The following tables detail the Company's remaining contractual maturity for its financial liabilities with agreed repayment periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based. It include both interest and principal cash flows. The contractual maturity is based on the earliest date on which the Company may be required to pay.

Contractual maturities of financial liabilities					(₹ in lacs)
Particulars	Carrying amount	Within 1 year	1-5 years	More than 5 years	Total

As at March 31, 2021					
Borrowing	488.86	70.65	403.14	15.08	488.86
Trade payable	15.94	15.94	-	-	15.94
Other financial liabilities	10.52	10.52	-	-	10.52
Deposit Payable	38.07	-	38.07	-	38.07
	553.39	97.11	441.20	15.08	553.39

(C) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in the market prices. The Company is exposed in the ordinary course of its business to risks related to changes in foreign currency exchange rates. The Company's exposure to foreign currency risk and other price risk is not significant.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in the market interest rates. The Company's exposure to the risk of changes in the market interest rates relates primarily to the Company's debt obligations with floating interest rates.

However, the company does not expect any material change in the interest rates in the foreseeable future and therefore does not expects any significantly risk on account of change in interest rate as at the respective reporting dates.

Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings taken at floating rates. With all other variables held constant, the Company's profit/ (loss) before tax is affected through the impact on floating rate borrowings, as follows:

Particulars	Impact on profit before tax	
	2021-22	2020-21
Interest rates - increase by 50 basis points*	(3.45)	(2.35)
Interest rates - decrease by 50 basis points*	3.45	2.35

TEJNAKSH HEALTHCARE LIMITED**NOTES TO FINANCIAL STATEMENTS FOR THE PERIOD ENDED MARCH 31, 2022**

(Amount in INR, unless otherwise stated)

39. CAPITAL MANAGEMENT

For the purpose of the company's capital management, capital includes issued equity capital, equity instruments, share premium and all other equity reserves attributable to the equity holders. The primary objective of the Company's capital management is to maximise the shareholder value.

The Company manages its capital to ensure that it will be able to continue as going concerns through the optimization of the debt and equity balance. The capital structure of the Company consists of net debt (i.e. borrowings offset by cash and bank balances) and equity of the Company (comprising issued capital, reserves and retained earnings). The Company monitors capital using a ratio of 'net debt' to equity. The Company's net debt to equity ratio is as follows.

Particulars	(₹ in lacs)	
	March 31, 2022	March 31, 2021
Borrowings	629.59	418.22
Less: cash and cash equivalents	(90.82)	(56.20)
Net Debt	538.77	362.02
Equity	1,955.30	1,702.56
Total Capital	1,955.30	1,702.56
Capital and net debt	2,494.07	2,064.58
Net debt to equity ratio	0.22	0.18

40. Relationship with Struck off Companies

The Company doesn't have transaction with the Companies Struck off under Section 248 of the Companies Act, 2013 or Section 560 of the Companies Act, 1956 during the financial year.

41. Registration of Charges

Details of charges or satisfaction yet to be registered with ROC beyond the statutory period for current & previous year are given below:

Sr. No.	Charge Holder Name	Asset under charge	Type	Amount (in lacs)	Delay in days	Reason for delay
1	Bank Of Baroda	Vehicle	Charge yet to be registered	38.00	17	Delay has occurred due to the bank's late submission of documents

40. No funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries") with the understanding, whether recorded in writing or otherwise, that the Intermediary shall lend or invest in party identified by or on behalf of the Company (Ultimate Beneficiaries) other than in the ordinary course of business with its subsidiary companies. The Company has not received any fund from any party(s) (Funding Party) with the understanding that the Company shall whether, directly or indirectly lend or invest in other persons or entities identified by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

41. The financial statements for the year ended 31st March, 2022 were approved for issue by the Board of Directors on 17th May, 2022.

42. The figures for the previous year have been restated/regrouped wherever necessary to make them comparable.

TEJNAKSH HEALTHCARE LIMITED**NOTES TO FINANCIAL STATEMENTS FOR THE PERIOD ENDED MARCH 31, 2022**

(Amount in INR, unless otherwise stated)

45. ANALYTICAL RATIOS FOR THE YEAR ENDED 31ST MARCH 2022 AND 31ST MARCH 2021

Sr. No.	Particulars	March 31, 2022	March 31, 2021	Variance	Reason for Variance
(a)	Current Ratio : Current assets / Current liabilities	2.12	1.54	37.73%	Increase of investment in fixed deposit with the maturity of less than 12 months has resulted in an improvement in the ratio.
(b)	Debt equity ratio : Total debt / Net worth Total debt: Long term borrowings (incl. current maturities of long term borrowings) + Short term borrowings Net worth: Equity share capital + Other equity	0.32	0.25	30.49%	During the year company has taken net additional loan of Rs 281.54 lacs, thereby increasing Debt equity ratio.
(c)	Debt service coverage ratio : (Profit after tax + Deferred tax + Depreciation and amortisation + Interest on debt and lease) / (Interest on debt and lease + Principal repayments of long term debt including lease payment)	1.09	1.11	-2.03%	
(d)	Return on Equity Ratio : Net profit after taxes / Average shareholder's equity	0.14	0.13	10.07%	
(e)	Inventory turnover : Net sales / Average Inventories	17.97	22.82	-21.26%	
(f)	Trade Receivables turnover : Net sales / Average trade receivables	19.80	19.07	3.84%	
(g)	Trade payables turnover : Net sales / Average trade payables	51.98	40.61	28.00%	Due to change in credit terms of some creditors and their early payment has resulted in an increase of ratio.
(h)	Net capital turnover ratio: Net Sales/Working Capital	3.88	11.40	-66.00%	Increase of investment in fixed deposit with the maturity of less than 12 months has resulted in increase of working capital, thereby decrease in Net capital turnover ratio.
(i)	Net profit ratio: Net Profit/Net Sales	0.31	0.23	32.49%	Increase in margin of operations of the company has resulted in an improvement of net profit ratio.
(j)	Return on Capital employed: EBIT/Capital Employed	0.11	0.09	16.13%	
(k)	Return on investment: Income from mutual fund/Average investment	NA	NA	NA	

* As per the requirements of Ind As Schedule III to Companies Act 2013, explanation is provided for change in the ratio by more than 25% as compared to the preceding year.

Independent Auditor's Report

To
The Members,
Tejnaksh Healthcare Limited,
Mumbai

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **Tejnaksh Healthcare Limited** (hereinafter referred to as the 'Holding Company') and its subsidiary **TejVedaant Healthcare Private Limited** (Holding Company and its subsidiaries together referred to as "the Group"), which comprise the consolidated Balance Sheet as at March 31, 2022, and the consolidated statement of Profit and Loss (including other comprehensive income), consolidated statement of changes in equity and the consolidated cash flows statement for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of their consolidated state of affairs of the Group as at March 31, 2022, of consolidated profit and other comprehensive income, consolidated changes in equity and its consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group in accordance with the Code of Ethics issued by ICAI, and we have fulfilled our other ethical responsibilities in accordance with the provisions of the Companies Act, 2013. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements, our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibilities for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated state of affairs, consolidated profit & other comprehensive income, consolidated statement of changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company and its subsidiary companies which are companies incorporated in India, has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information of the entities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1) As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143 (11) of the Act, according to the information and explanations given to us and based on our examination, there are no qualifications or adverse remarks by the respective auditors in the Companies (Auditor's Report) Order, 2020 reports of the companies incorporated in India and included in the consolidated financial statements.
- 2) (A) As required by Section 143(3) of the Act, based on our Audit, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books.
 - (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including other comprehensive income), and the consolidated statement of changes in equity, the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act.
 - (e) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2022 taken on record by the Board of Directors of the Holding Company and the reports of subsidiary companies incorporated in India, none of the directors of Group company incorporated in India are disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate report in "Annexure A".
- (B) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. There were no pending litigations which would impact the consolidated financial position of the Group.
 - ii. The Group, did not have any material foreseeable losses on long-term contracts including derivative contracts.

- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company, and its subsidiary companies incorporated in India.
- iv.
- a. The management has represented that, to the best of its knowledge and belief, as disclosed in note 40 to the consolidated financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company incorporated in India to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:
- directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Holding Company incorporated in India or
 - provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
- b. The management has represented, that, to the best of its knowledge and belief, as disclosed in note 40 to the consolidated financial statements, no funds have been received by the Holding Company incorporated in India from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company incorporated in India shall:
- directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Parties or
 - provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries.

(C) With respect to the matter to be included in the Auditors' report under Section 197(16) of the Act:

In our opinion and according to the information and explanation given to us, the remuneration paid during the current year by the Holding Company and its subsidiaries which are incorporated in India to its directors is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director by the Holding Company and its subsidiaries which are incorporated in India, is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

Annexure "A" to the Independent Auditors Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the Consolidated Financial Statements of **Tejnaksh Healthcare Limited** we have audited the internal financial controls over financial reporting of **Tejnaksh Healthcare Limited** (hereinafter referred to as the "Holding Company") and its subsidiary **TejVedaant Healthcare Limited** which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiaries, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Holding Company and its subsidiaries, which are companies incorporated in India, internal financial controls over financial reporting with reference to these Consolidated Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, both, issued by Institute of Chartered Accountants of India, and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these Consolidated Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting with reference to these Consolidated Financial Statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these Consolidated Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting with reference to these Consolidated Financial Statements.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting with reference to these

Consolidated Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the Consolidated preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to these Consolidated Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisation of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the Consolidated financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting with reference to these Consolidated Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these Consolidated Financial Statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these Consolidated Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors, the Holding Company and its subsidiary, which are companies incorporated in India, have, maintained in all material respects, adequate internal financial controls over financial reporting with reference to these Consolidated Financial Statements and such internal financial controls over financial reporting with reference to these Consolidated Financial Statements were operating effectively as at March 31, 2022 based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India

CONSOLIDATED STATEMENT OF CASH FLOWS FOR THE YEAR ENDED MARCH 31, 2022
(Amount in INR, unless otherwise stated)
(₹ in lacs)

Particulars	March 31, 2022	March 31, 2021
Profit before tax	376.13	266.80
Adjustments for:		
Depreciation and amortisation expense	64.77	68.05
Interest income	(6.20)	(5.58)
Finance costs	47.33	50.21
(Profit)/loss on sale/disposal property, plant and equipment and Intangibles	4.45	0.56
Bad Debts	14.67	4.30
Net Gain on financial instruments	0.06	-
Provision for Gratuity	3.20	4.50
Change in operating assets and liabilities:		
(Increase)/Decrease in trade receivables	(24.81)	1.82
(Increase)/Decrease in inventories	(2.45)	(6.17)
Increase/(decrease) in trade payables	(7.98)	(7.67)
(Increase) in other financial assets	482.21	(515.84)
(Increase)/decrease in other assets	23.94	209.63
Increase/(decrease) in other financial liabilities	12.14	(10.86)
Increase/(decrease) in other liabilities	(90.54)	(12.45)
Cash generated from operations	896.93	47.31
Less: Income taxes paid/(refund)	23.87	70.96
Net cash inflow from operating activities	920.80	118.27
CASH FLOWS FROM INVESTING ACTIVITIES:		
Payments for property, plant and equipment and intangibles	(907.74)	(44.34)
Proceeds from disposal of property, plant and equipment and Intangibles	4.62	207.40
Intangible asset under development	(9.00)	(13.00)
Other bank balances	(152.90)	-
Interest received	6.20	5.58
Net cash outflow from investing activities	(1,058.83)	155.64
CASH FLOWS FROM FINANCING ACTIVITIES:		
Proceeds from non current borrowings	501.79	-
Repayment of non current borrowings	(290.05)	(231.83)
Proceeds from current borrowings	-	0.40
Repayment of current borrowings	(0.40)	-
Interest paid	(49.44)	(48.58)
Acquisition of non-controlling interests	-	-
Net cash inflow (outflow) from financing activities	161.89	(280.01)
Net increase (decrease) in cash and cash equivalents	23.87	(6.10)
Cash and Cash Equivalents at the beginning of the financial year	123.30	129.40
Cash and Cash Equivalents at end of the year	147.16	123.30
Reconciliation of cash and cash equivalents as per the cash flow statement:		
Cash and cash equivalents as per above comprise of the following:		
Balances with banks in current accounts	82.23	74.85
Cash on hand	64.93	48.45
Balances per statement of cash flows	147.16	123.30

TEJNAKSH HEALTHCARE LIMITED

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

1 Corporate Information

These statements comprise consolidated financial statements of Tejnakhsh Healthcare Limited ('the Holding Company')(CIN: L85100MH2008PLC179034) and its subsidiary (TejVedaant Healthcare Private Limited) (collectively, 'the Company' or 'the Group') for the year ended March 31, 2022. The company is a public company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. Its shares are listed on one recognised stock exchange in India. The registered office of the company is located at A 601 Floor No 6 Kailash Business Park Veer Savarkar Marg. Mumbai - 400079.

The Group is engaged in the provision hospital and healthcare service in Mumbai and other parts of Maharashtra.

2 Significant Accounting Policies

2.1 Statement of Compliance

The financial statements of the company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015(as amended).

2.11 Basis of preparation and presentation

The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period.

Historical Cost is generally based on the fair value of the consideration given in exchange of goods and services.

2.21 Principles of consolidation

Subsidiaries

Subsidiaries are all entities over which the group has control. The group controls an entity when the group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the group. They are deconsolidated from the date that control ceases.

Generally, there is a presumption that a majority of voting rights results in control. to support this presumption and when the group has less than a majority of voting or similar rights of an investee, the Group considers all relevant facts and circumstances in assessing whether it has power over and investee.

The Group re-assess whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the elements of control.

A change in the ownership interest of a subsidiary, without a loss of control, is accounted for as an equity transaction.

The acquisition method of accounting is used to account for business combinations by the group.

The group combines the financial statements of the parent and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealised gains on transactions between group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the group.

The financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the parent company, i.e., year ended on March 31. When the end of the reporting period of the parent is different from that of a subsidiary, the subsidiary prepares, for consolidation purposes, additional financial information as of the same date as the financial statements of the parent to enable the parent to consolidate the financial information of the subsidiary, unless it is impracticable to do so.

Non-controlling interests in the results and equity of subsidiaries are shown separately in the consolidated statement of profit and loss, consolidated statement of changes in equity and balance sheet respectively.

TEJNAKSH HEALTHCARE LIMITED

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

Profit or loss and each component of other comprehensive income (the 'OCI') are attributed to the equity holders of the parent of the Group and to the non controlling interests, even if this results in the non controlling interest having a deficit balance. When necessary, adjustments are made to the financial statements of subsidiaries to bring there accounting policies into line with the Group's accounting policies.

3 Summary of significant accounting policies

(a) Foreign currency translation

(i) Functional and presentation currency

Items included in the financial statements of the entity are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is entity's functional and presentation currency.

(ii) Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in profit or loss.

(b) Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue is net of returns, trade allowances, rebates, value added taxes and amounts collected on behalf of third parties. The company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and specific criteria have been met for each of the company's activities as described below.

Recognising revenue from major business activities

(i) Sale of traded goods – pharmacy items

Revenue from sale of pharmacy items are recognized on delivery of items to the customers which is when all the significant risks and rewards of ownership of the goods are passed to the customers.

(ii) Inpatient and Outpatient Revenue

Inpatient and Outpatient revenue is recognized as and when the related services are rendered.

Estimates of revenues, costs or extent of progress toward completion are revised if circumstances change. Any resulting increases or decreases in estimated revenues or costs are reflected in profit or loss in the period in which the circumstances that give rise to the revision become known by management.

(iii) Interest income

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

(iv) Dividend income

Revenue is recognised when the company's right to receive the payment is established, which is generally when shareholders approve the dividend.

TEJNAKSH HEALTHCARE LIMITED

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

(c) Government Grants

Government grants are not recognised until there is reasonable assurance that the Company will comply with the conditions attaching to them and such grants can reasonably have a value placed upon them. Government grants are recognised in the profit or loss on a systematic basis over there periods in which the Company recognises as expense the related costs for which the grant was intended to compensate.

Government grants that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the Company with no future related costs are recognised in profit or loss in the period they become receivable.

(d) Taxes

(i) Current income tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The current tax is calculated using tax rates and tax laws that have been enacted by the end of the reporting period.

Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961.

(ii) Deferred tax

Deferred income tax is recognised using the Balance sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred income tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred income tax asset are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized.

Deferred tax assets and liabilities are measured using substantively enacted tax rates expected to apply to taxable income in the years in which the temporary differences are expected to be received or settled.

Deferred tax assets and liabilities are offset when they relate to income taxes levied by the same taxation authority and there are legally enforceable right to set off current tax assets and liabilities.

Deferred tax assets include Minimum Alternate Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future economic tax liability. Accordingly, MAT is recognised as deferred tax asset in the Balance sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with the asset will be realised.

TEJNAKSH HEALTHCARE LIMITED

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

(e) Leases

(i) Group as lessee

At inception of a contract, the Group assesses whether a contract is or contains a lease. A contract is or contains a lease if the contract conveys the right to control the use of an identified assets for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset the Group assesses whether contract involves the use of an identified asset, the Group has a right to obtain substantially all of the economic benefits from the use of the asset throughout the period of use and the Group has the right to direct the use of the asset.

At the inception date, right-of-use asset is recognised at cost which includes present value of lease payments adjusted for any payments made on or before the commencement of lease and initial direct cost, if any. It is subsequently measured at cost less accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. Right-of-use asset is depreciated using the straight-line method from the commencement date over the earlier of useful life of the asset or the lease term. When the Group has purchase option available under lease and cost of right-of-use assets reflects that purchase option will be exercised, right-of-use asset is depreciated over the useful life of underlying asset. Right-of-use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognised in the statement of profit and loss.

At the inception date, lease liability is recognised at present value of lease payments that are not made at the commencement of lease. Lease liability is subsequently measured by adjusting carrying amount to reflect interest, lease payments and remeasurement, if any.

Lease payments are discounted using the incremental borrowing rate or interest rate implicit in the lease, if the rate can be determined.

The Group has elected not to apply requirements of Ind AS 116 to leases that has a term of 12 months or less and leases for which the underlying asset is of low value. Lease payments of such lease are recognised as an expense on straight line basis over the lease term.

(ii) Group as a lessor

Leases for which the group is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

When the group is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the ROU asset arising from the head lease.

For operating leases, rental income is recognized on a straight line basis over the term of the relevant lease.

(f) Impairment of non financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. An impairment loss is recognised immediately in the statement of profit and loss.

(g) Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

TEJNAKSH HEALTHCARE LIMITED

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

(h) Inventories

Inventories of medical consumables and drugs are valued at lower of cost or net releasable value. Cost is determined on weighted average basis.

Net realizable value represents the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

Due allowance is estimated and made by the Management for slow moving / non-moving items of inventory, wherever necessary, based on the past experience of the Company and such allowances are adjusted against the carrying inventory value.

(i) Non-current assets held for sale

Non-current assets and disposal groups are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use. This condition is regarded as met only when the asset (or disposal group) is available for immediate sale in its present condition subject only to terms that are usual and customary for sales of such asset (or disposal group) and its sale is highly probable. Management must be committed to the sale, which should be expected to qualify for recognition as a completed sale within one year from the date of classification.

Non-current assets (and disposal groups) classified as held for sale are measured at the lower of their carrying amount and fair value less costs to sell.

(j) Fair value measurement

The Company measures financial instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

(k) Financial instruments

Initial recognition

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities that are not at fair value through profit or loss are added to the fair value on initial recognition. Regular way purchase and sale of financial assets are accounted for at trade date.

TEJNAKSH HEALTHCARE LIMITED

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

Subsequent measurement

(i) Financial assets carried at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(ii) Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(iii) Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss.

(iv) Financial liabilities

Financial liabilities are subsequently carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

(v) Investment in subsidiaries

Investment in subsidiaries is carried at cost in the separate financial statements.

(vi) Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of company after deducting all of its liabilities. Equity instruments are recognised at the proceeds received, net of direct issue costs.

(l) Impairment of financial assets

The Company measures the loss allowance for a financial instrument at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. If the credit risk on a financial instrument has not increased significantly since initial recognition, the Company measures the loss allowance for that financial instrument at an amount equal to 12-month expected credit losses.

However, for trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 115, the Company measures the loss allowance at an amount equal to lifetime expected credit losses.

When making the assessment of whether there has been a significant increase in credit risk since initial recognition, the Company uses the change in the risk of a default occurring over the expected life of the financial instrument instead of the change in the amount of expected credit losses. To make that assessment, the Company compares the risk of a default occurring on the financial instrument as at the reporting date with the risk of a default occurring on the financial instrument as at the date of initial recognition and considers reasonable and supportable information, that is available without undue cost or effort, that is indicative of significant increases in credit risk since initial recognition.

(m) Derecognition of financial assets and financial liabilities

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay.

TEJNAKSH HEALTHCARE LIMITED

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

The Company derecognises financial liabilities when, and only when, the Company's obligations discharged, cancelled or have expired. An exchange between with a lender of debt instruments substantially different terms is accounted for as an extinguishment of the original financial liability the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in the statement of profit and loss.

(n) Property, plant and equipment

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at cost less depreciation. The cost of an asset includes the purchase cost including import duties and non-refundable taxes, borrowing costs if capitalization criteria are met and any directly attributable costs of bringing an asset to the location and condition of its intended use.

Subsequent expenditure related to an item of PPE is added to its carrying value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance.

All other expenditure related to existing assets including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss in the period during which such expenditure is incurred.

Projects under which tangible fixed assets are not yet ready for their intended use are carried at cost, comprising of direct cost, related incidental expenses and attributable interest and such properties are classified to the appropriate categories of PPE when completed and ready to use.

The carrying amount of a PPE is de-recognised upon disposal of PPE or when no future economic benefits are expected from its use. Any gain or loss arising on the disposal or retirement of an item of PPE is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the statement of profit and loss.

Depreciation methods, estimated useful lives and residual value

Depreciation on Property, Plant and Equipment (PPE) has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013.

The property, plant and equipment acquired under finance leases is depreciated over the asset's useful life or over the shorter of the asset's useful life and the lease term if there is no reasonable certainty that the company will obtain ownership at the end of the lease term.

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

(o) Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost less accumulated amortisation and accumulated impairment losses, if any.

Goodwill

TEJNAKSH HEALTHCARE LIMITED

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

Goodwill arising on an acquisition of a business is carried at cost as established at the date of acquisition of the business less accumulated impairment losses, if any. For the purposes of impairment testing, goodwill is allocated to each of the Company's cash-generating units that is expected to benefit from the synergies of the combination. A cash-generating unit to which goodwill has been allocated is tested for impairment annually, or more frequently when there is an indication that the unit may be impaired. If the recoverable amount of the cash-generating unit is less than its carrying amount, the impairment loss is allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to the other assets of the unit pro rata based on the carrying amount of each asset in the unit. Any impairment loss for goodwill is recognised directly in profit or loss. An impairment loss recognised for goodwill is not reversed in subsequent periods.

On disposal of the relevant cash-generating unit, the attributable amount of goodwill is included in the determination of the profit or loss on disposal.

Trade Mark, Patents, copyrights and other rights

Separately acquired patents and copyrights are shown at cost. They have a finite useful life and are subsequently carried at cost less accumulated amortisation and impairment losses.

Computer software

Cost of software and licenses, which are acquired, are capitalised and amortized on a straight line basis over a period of 3 to 6 years or the license period, whichever is lower.

The amortisation period and method are reviewed at the end of each reporting period if the expected useful life of the asset changes from previous estimates, the effect of such change in estimates are accounted for prospectively.

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains and losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit and loss when the asset is de-recognised.

(p) Business combinations and goodwill

Acquisitions of businesses are accounted for using the acquisition method. The consideration transferred in a business combination is measured at fair value, which is calculated as the sum of the acquisition-date fair values of the assets transferred by the Company, liabilities incurred by the Company to the former owners of the acquiree and the equity interests issued by the Company in exchange of control of the acquiree. Acquisition-related costs are generally recognised in profit or loss as incurred.

Goodwill is measured as the excess of the sum of the consideration transferred, the amount of any non-controlling interests in the acquiree, and the fair value of the acquirer's previously held equity interest in the acquiree (if any) over the net of the acquisition-date amounts of the identifiable assets acquired and the liabilities assumed.

(q) Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognised in the statement of profit and loss in the period in which they are incurred.

(r) Provisions

Provisions are recognised when the company has a present obligation (legal or constructive) as a result of a past event, it is probable that the company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

TEJNAKSH HEALTHCARE LIMITED**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022**

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

(s) Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

TEJNAKSH HEALTHCARE LIMITED

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

(t) Employee benefits

Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

Post-employment obligations

The Company has not provided for obligations towards gratuity as required under applicable laws in India.

Gratuity

The Company has an obligation towards gratuity. It provides for a lump sum payment to vested employees at retirement, death while in employment or on termination of employment of an amount based on the respective employee's salary and the tenure of employment. The liability in respect of gratuity is recognised in the books of account based on actuarial valuation by an independent actuary.

Defined contribution plans

The company pays provident fund contributions to publicly administered provident funds as per local regulations. The company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available.

(u) Earnings per share

The Company presents basic and diluted earnings per share ("EPS") data for its equity shares.

Basic EPS is calculated by dividing the profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period.

Diluted EPS is determined by adjusting the profit or loss attributable to equity shareholders and the weighted average number of equity shares outstanding, for the effects of all dilutive potential equity shares.

Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease earning per share. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

(v) Segment Reporting

Operating segments reflect the Company's management structure and the way the financial information is regularly reviewed by the Company's Chief operating decision maker (CODM). The CODM considers the business from both business and product perspective based on the dominant source, nature of risks and returns and the internal organization and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit / (loss) amounts are evaluated regularly by the executive Management in deciding how to allocate resources and in assessing performance.

The accounting policies adopted for segment reporting are in line with the accounting policies of the Company. Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship to the operating activities of the segment.

(w) Operating cycle

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

TEJNAKSH HEALTHCARE LIMITED

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

4 Critical accounting judgements and key sources of estimation uncertainty

In the application of the Company's accounting policies, which are described in Note 2, the management of the Company are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Critical judgements in applying accounting policies

The following are the critical judgements, apart from those involving estimations, that the directors have made in the process of applying the Company's accounting policies and that have the most significant effect on the amounts recognised in the financial statements.

(i) Useful lives of property, plant and equipment

Management reviews the useful lives of property, plant and equipment at least once a year. Such lives are dependent upon an assessment of both the technical lives of the assets and also their likely economic lives based on various internal and external factors including relative efficiency and operating costs. Accordingly, depreciable lives are reviewed annually using the best information available to the Management.

(ii) Impairment of non financial assets and goodwill

Determining whether the asset/goodwill is impaired requires an estimation of the value in use of the cash-generating units to which asset/goodwill has been allocated. The value in use calculation requires the Company to estimate the future cash flows expected to arise from the cash-generating unit and a suitable discount rate in order to calculate present value. Where the actual future cash flows are less than expected, a material impairment loss may arise.

(iii) Valuation of deferred tax assets

The Company reviews the carrying amount of deferred tax assets at the end of each reporting period.

(iv) Provisions and Contingent liabilities

A provision is recognised when the Company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. These are reviewed at each Balance sheet date and adjusted to reflect the current best estimates.

5 Recent Accounting Pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On 23rd March, 2022, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, applicable from 1st April, 2022, as below:

a) Ind AS 16 – Proceeds before intended use

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On 23rd March, 2022, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, applicable from 1st April, 2022, as below:

b) Ind AS 103 – Reference to Conceptual Framework

TEJNAKSH HEALTHCARE LIMITED**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022**

The amendments specify that to qualify for recognition as part of applying the acquisition method, the identifiable assets acquired and liabilities assumed must meet the definitions of assets and liabilities in the Conceptual Framework for Financial Reporting under Indian Accounting Standards (Conceptual Framework) issued by the Institute of Chartered Accountants of India at the acquisition date. These changes do not significantly change the requirements of Ind AS 103. The Group does not expect the amendment to have any significant impact in its financial statements.

Ind AS 37 – Onerous Contracts - Costs of Fulfilling a Contract

The amendments specify that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts. The amendment is essentially a clarification and the Group does not expect the amendment to have any significant impact in its financial statements.

(i) Impairment testing of goodwill

The goodwill is measured as the excess of the sum of the consideration transferred over the net of acquisition date amount of identified assets acquired and liabilities assumed.

For the purpose of impairment testing, goodwill is allocated to the cash generating units (businesses acquired) that is expected to benefit from the synergies of the combination.

The Group tests whether goodwill has suffered any impairment periodically. The recoverable amount of a cash generating unit (CGU) is determined based on fair value less cost to sell of the underlying asset.

Based on the evaluation by the management, the goodwill has not suffered any impairment during the year.

On 1st February, 2021 the Group discontinued and disposed off its operations at Lion Tarachand Bapa Hospital, Mumbai. On disposal the attributable amount of goodwill is included in the determination of the profit or loss on disposal.

	8.13	8.48

(vi) Terms and conditions of transactions with related parties

The sales to and purchases from related parties are made on terms equivalent to those that prevail in arm's length transactions. Outstanding balances at the year end are unsecured and interest free and settlement occurs in cash. For the year ended March 31, 2022, the group has not recorded any impairment of receivables relating to amount owed by related parties (March 31, 2021: NIL). This assessment is undertaken each financial year through examining the financial position of the related party and market in which the related party operates.

TEJNAKSH HEALTHCARE LIMITED**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022**

(Amount in INR, unless otherwise stated)

32. SEGMENT REPORTING

The Company has a single operating segment, namely, health care services and the information reported to the chief operating decision maker (CODM) for the purposes of resource allocation and assessment of performance focusses on this operating segment. Further the company does not have any separate geographic segment other than India. Accordingly, the amounts appearing in these financial statements relate to this operating segment.

33. FAIR VALUE MEASUREMENTS**i. Financial Instruments by Category**

(₹ in lacs)

Particulars	Carrying Amount		Fair Value	
	March 31, 2022	March 31, 2021	March 31, 2022	March 31, 2021
FINANCIAL ASSETS				
Amortised cost				
Cash and Cash Equivalents	147.16	123.30	147.16	123.30
Other Financial Assets	36.61	518.83	36.61	518.83
FVTPL				
Investment in Equity Instruments	0.01	0.01	0.01	0.01
Total	183.78	642.13	183.78	642.13
FINANCIAL LIABILITIES				
Amortised cost				
Borrowings	629.59	418.22	629.59	418.22
Trade Payables	38.66	46.64	38.66	46.64
Total	668.25	464.86	668.25	464.86

The management assessed that the fair value of cash and cash equivalent, trade receivables, trade payables, and other current financial assets and liabilities approximate their carrying amounts largely due to the short term maturities of these instruments.

The fair values for security deposits were calculated based on cash flows discounted using a current lending rate. They are classified as level 3 fair values in the Fair value hierarchy due to the inclusion of unobservable inputs including counterparty credit risk.

The fair values of non current borrowings are based on discounted cash flows using a current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs, including own credit risk.

ii. Fair Value Hierarchy

The company has classified its financial instruments into three levels prescribed under the accounting standard as follows:

Assets and liabilities measured at fair value

(₹ in lacs)

Assets and liabilities measured at fair value								(in lakhs)
Particulars	March 31, 2022			Total	March 31, 2021			Total
	Fair value measurement using				Fair value measurement using			
	Quoted prices in active markets (Level 1)	Significant Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)		Quoted prices in active markets (Level 1)	Significant Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	
Financial Assets								
Investment in Equity Instruments		0.01		0.01		0.01		0.01
Total Assets	-	0.01	-	0.01	-	0.01	-	0.01

There have been no transfers among Level 1, Level 2 and Level 3 during the period

Total	100.00	2,059.93	100.00	281.14	100.00	2.40	100.00	283.54

37. FINANCIAL RISK MANAGEMENT

The Group manages financial risk relating to the operations through internal risk reports which analyse exposure by degree and magnitude of risk. These risks include market risk (including interest rate risk and other price risk), credit risk and liquidity risk. The focus of the chief operating decision maker (CODM) is to assess the unpredictability of the financial environment and to mitigate potential adverse effects, if any, on the financial performance of the Group.

The Group does not enter into or trade financial instruments including derivative financial instruments for speculative purpose.

(A) Credit risk

Credit risk is the risk that counterparty will default on its contractual obligation resulting in a financial loss. The credit risk arises primarily on trade receivables and deposits with banks and other financial instruments.

The Group's hospital and healthcare services and sale of medical goods are on the counter sale i.e. on cash basis and as such no credit risk arises.

Exposures to customers outstanding at the end of each reporting period are reviewed by the Group to determine expected credit losses. Historical trends of impairment of trade receivables do not reflect any credit losses. Given that there is no substantial change in the economic environment affecting customers of the Group, the Group expects the historical trend of immaterial credit losses to continue.

Credit risk on cash and bank balances is limited as company counterparties are banks with high credit ratings assigned credit rating agencies.

(B) Liquidity risk

Liquidity risk refers to the risk that the Group cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The Group consistently generated sufficient cash flows from operations to meet its financial obligations as and when they fall due.

The following tables detail the Group's remaining contractual maturity for its financial liabilities with agreed repayment periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based. It include both interest and principal cash flows. The contractual maturity is based on the earliest date on which the Company may be required to pay.

Contractual maturities of financial liabilities
(₹ in lacs)

Particulars	Carrying amount	Within 1 year	1-5 years	More than 5 years	Total
As at March 31, 2022					
Borrowing	698.49	68.90	274.65	354.94	698.49
Trade payable	38.66	38.66			38.66
Other financial liabilities	27.03	27.03			27.03
	764.18	134.59	274.65	354.94	764.18
As at March 31, 2021					
Borrowing	488.86	70.65	403.14	15.08	488.86
Trade payable	46.64	46.64	-	-	46.64
Other financial liabilities	18.39	18.39	-	-	18.39
	553.90	135.69	403.14	15.08	553.90

(C) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in the market prices. The Group is exposed in the ordinary course of its business to risks related to changes in foreign currency exchange rates. The Company's exposure to foreign currency risk and other price risk is not significant.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in the market interest rates. The Group's exposure to the risk of changes in the market interest rates relates primarily to the Company's debt obligations with floating interest rates.

However, the Group does not expect any material change in the interest rates in the foreseeable future and therefore does not expects any significantly risk on account of change in interest rate as at the respective reporting dates.

Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings taken at floating rates. With all other variables held constant, the Group's profit/ (loss) before tax is affected through the impact on floating rate borrowings, as follows:

(₹ in lacs)

Particulars	Impact on profit before tax	
	2020-21	2019-20
Interest rates - increase by 50 basis points*	(3.45)	(2.35)
Interest rates - decrease by 50 basis points*	3.45	2.35

TEJNAKSH HEALTHCARE LIMITED**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022***(Amount in INR, unless otherwise stated)***38. CAPITAL MANAGEMENT**

For the purpose of the company's capital management, capital includes issued equity capital, equity instruments, share premium and all other equity reserves attributable to the equity holders. The primary objective of the Company's capital management is to maximise the shareholder value.

The Company manages its capital to ensure that it will be able to continue as going concerns through the optimization of the debt and equity balance. The capital structure of the Company consists of net debt (i.e. borrowings offset by cash and bank balances) and equity of the Company (comprising issued capital, reserves and retained earnings). The Company monitors capital using a ratio of 'net debt' to equity. The Company's net debt to equity ratio is as follows.

(₹ in lacs)		
Particulars	March 31, 2022	March 31, 2021
Borrowings	629.59	418.22
Less: cash and cash equivalents	(147.16)	(123.30)
Net Debt	482.43	294.92
Equity	2,005.83	1,731.44
Total Capital	2,005.83	1,731.44
Capital and net debt	2,488.26	2,026.36
Net debt to equity ratio	0.19	0.15

39. Relationship with Struck off Companies

The Company doesn't have transaction with the Companies Struck off under Section 248 of the Companies Act, 2013 or Section 560 of the Companies Act, 1956 during the financial year.

40. No funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries") with the understanding, whether recorded in writing or otherwise, that the Intermediary shall lend or invest in party identified by or on behalf of the Company (Ultimate Beneficiaries) other than in the ordinary course of business with its subsidiary companies. The Company has not received any fund from any party(s) (Funding Party) with the understanding that the Company shall whether, directly or indirectly lend or invest in other persons or entities identified by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

41. The financial statements for the year ended 31st March, 2022 were approved for issue by the Board of Directors on 17th May, 2022.

42. The figures for the previous year have been restated/regrouped wherever necessary to make them comparable.
